QUICK TIPS FOR PACKING

- Make sure you have packed business casual and church clothing for church, work positions and official Ecclesia events.
- Clothing should show deference to one another as we are coming from a wide variety of backgrounds and cultures. Dress in a way that will show deference to others and reflect the value we place on each other.
- Your appearance, including clothing and hairstyle should be neat, modest, and clean. Head coverings are not permitted in class and in assembly or any official function.
