

Ecclesia Prep  
2016/2017 Class Descriptions

**Elementary (K-5<sup>th</sup>)**

**TUESDAY CLASSES**

Class Details	Description	Fees & Text
K-1 <sup>st</sup> American Heroes Tuesdays 2:30-3:25 Full Year Class (Fall/Spring) Instructor: Starla Novak	Young students will study the lives of brave patriots who helped found this nation and those who have come afterward to continue fighting for the cause of liberty and freedom. Using stories and hands on activities, we will explore the lives of American heroes, famous and often unsung, who have helped to make this country great.	Tuition: \$140 Supply Fee: none Text: none
K-1 <sup>st</sup> Science – Astronomy & Weather Tuesdays 3:30 – 4:25 Full Year Class (Fall/Spring) Instructor: Jillian Smith	We will be exploring God’s creation in outer space...looking at the planets, stars and learning the constellations. Through experiments and reading we will discover answers to many questions. How long does it take to get to the moon? How bright are stars? What makes the wind blow? Why does it rain?  At the end of the year, each student will have completed science notebook of their studies to take home.	Tuition: \$140 Supply Fee: TBD Suggested Text: Apologia Young Explorers Astronomy
K-2 <sup>nd</sup> PE Tuesdays 4:30-5:25 Fall Only Class Instructor: Susan Mantey	Come get those wiggles out! In this class we are going to get moving with stretching, games, races, balance practice, gross motor coordination and more. Please wear sneakers/closed-toed shoes, longer shorts (just above the knee) or athletic pants, and a T-shirt with sleeves. Bring a water bottle!	Tuition: \$70 Supply Fee: none
K-2 <sup>nd</sup> Arts & Crafts Tuesdays 4:30 – 5:25 Spring Only Class Instructor: Jillian Smith	We will have fun using our imaginations and our hands to make different creations each week. Different mediums will be used. Motor skills will be practiced in a variety of engaging ways.	Tuition: \$70 Supply Fee: TBD

## Elementary (K-5<sup>th</sup>) Continued

## TUESDAY CLASSES

<p>2<sup>nd</sup>-3<sup>rd</sup> Science – Astronomy &amp; Weather Tuesdays 2:30 – 3:25 Full Year Class (Fall/Spring) Instructor: Jillian Smith</p>	<p>We will be exploring God’s creation in outer space...looking at the planets, stars and learning the constellations. Through experiments and reading we will discover answers to many questions. How long does it take to get to the moon? How bright are stars? What makes the wind blow? Why does it rain? At the end of the year, each student will have completed science notebook of their studies to take home.</p>	<p>Tuition: \$140 Supply Fee: \$10/yr Suggested Text: Apologia Young Explorers Astronomy</p>
<p>2<sup>nd</sup> – 3<sup>rd</sup> American Heroes Tuesdays 3:30-4:25 Full Year Class (Fall/Spring) Instructor: Starla Novak</p>	<p>Young students will study the lives of brave patriots who helped found this nation and those who have come afterward to continue fighting for the cause of liberty and freedom. Using stories and hands on activities, we will explore the lives of American heroes, famous and often unsung, who have helped to make this country great.</p>	<p>Tuition: \$140 Supply Fee: none Text: none</p>
<p>2<sup>nd</sup>-5<sup>th</sup> PE Tuesdays 4:30 – 5:25 Fall Only Class Instructor: Jillian Smith</p>	<p>We will be playing games and we will be working on teamwork. Kickball, capture the flag, water balloon tosses and more. This fun class is designed to encourage fitness and foster friendships. Please wear close toe shoes, longer shorts (just above the knee) or athletic pants, and a T-shirt with sleeves. Bring a water bottle!</p>	<p>Tuition: \$70 Supply Fee: none Text: none</p>
<p>2<sup>nd</sup>-5<sup>th</sup> Engineering for Kid Tuesdays 4:30 – 5:25 Spring Only Class Instructor: Susan Mantey</p>	<p>Let's get excited about engineering! Learn the basic principles of structural, mechanical, electrical, and aeronautical engineering through fun, hands on building projects. Students will build a variety of projects to exercise creativity, and learn some fundamentals of engineering through building using LEGO bricks, K’Nex and household items.</p>	<p>Tuition: \$70 Supply Fee: \$10/yr Text: none</p>
<p>4<sup>th</sup>-5<sup>th</sup> Science – Zoology 3 Tuesdays 2:30 – 3:25p Full Year Class (Fall/Spring) Instructor: Delena Reed</p>	<p>Wild animals, livestock, and creatures that creep! According to Genesis 1:24-25, these are the three main groups of land animals. By utilizing Apologia’s <i>Zoology 3</i> as our science curriculum, we will study these fascinating creatures from a creationist world view. A new lesson will be presented every other week which gives us plenty of time for notebooking, memory games, experiments, and even public speaking.</p>	<p>Tuition: \$140 Lab Fee: \$15/yr Suggested Text: Exploring Creation with Zoology 3: Land Animals of the Sixth Day by Jeannie Fulbright</p>

**Elementary (K-5<sup>th</sup>) Cont'd****TUESDAY CLASSES**

<p>4<sup>th</sup>-5<sup>th</sup> American Heroes Tuesdays 3:30-4:25p Full Year Class (Fall/Spring) Instructor: Melinda Miller</p>	<p>A survey of American heroes through the study of biographies. This course will be an enrichment opportunity to supplement American History studies in the home. The class will spend the year comparing and contrasting the lives and experiences of famous American Figures. Students will choose a particular personage from each time period studied. For the final hero of the course, all students will read a biography of Theodore Roosevelt.</p> <p>Class time will be spent in discussion, notebook activities, and group projects. Notebook activities will include maps, timelines and short writing assignments. Students will need a 3 ring notebook and a package of page dividers. A suggested book list will be provided.</p>	<p>Tuition: \$140 Supply Fee: TBD Suggested Text: A book list will be provided.</p>
<p>5<sup>th</sup>-7<sup>th</sup> Hands-On Equations Tuesdays 4:30-5:25p Full Year Class (Fall/Spring) Instructor: Jerri Dwyer</p>	<p>This course will focus on the Hands-On Equations© method of teaching algebra. This is a supplementary program that can be used with any math curriculum to provide middle school students with a concrete foundation for algebra. The lessons are designed to reinforce students' basic computational skills, develop their problem-solving skills, and help them gain confidence in algebraic reasoning. It uses the visual and kinesthetic instructional approach developed by Dr. Henry Borenson and is valuable for middle school students before they begin formal study in algebra.</p>	<p>Tuition: \$140 Supply Fee: \$20/yr (includes student take-home kit for weekly practice)</p>

**Middle School (6<sup>th</sup>-8<sup>th</sup>)****TUESDAY CLASSES**

<p>6<sup>th</sup>-8<sup>th</sup> American Heroes Tuesdays 2:30-3:25p Full Year Class (Fall/Spring) Instructor: Melinda Miller</p>	<p>A survey of American heroes through the study of biographies. This course will be an enrichment opportunity to supplement American History studies in the home. The class will spend the year comparing and contrasting the lives and experiences of famous American Figures. Students will choose a particular personage from each time period studied. Students will also be introduced to a primary source through the study of a diary from the 19<sup>th</sup> century. For the final hero of the course, all students will read a biography of Theodore Roosevelt.</p> <p>Class time will be spent in discussion, notebook activities, and group projects. Notebook activities will include maps, timelines and short writing assignments. Students will need a 3 ring notebook and a package of page dividers. A suggested book list will be provided.</p>	<p>Tuition: \$140 Supply Fee: TBD Suggested Text: A book list will be provided.</p>

**Middle School (6<sup>th</sup>-8<sup>th</sup>) Cont'd**

**TUESDAY CLASSES**

<p>8<sup>th</sup>-10<sup>th</sup> Physical Science Tuesdays 2:30-3:25p Full Year Class (Fall/Spring) Instructor: Christy North</p>	<p>Physical science is the exploration of matter and energy and how God put it all together to create the wonderful world we live in. In <u>Exploring Creation with Physical Science</u>, we will study how atoms and molecules combine to form the unique conditions that are found on earth and the forces and laws that govern them. Class time will be devoted to lab work. All other reading, coursework, and tests will need to be completed at home. Lab and test grades will be given at the end of each semester. Beginning coursework before the start of the fall semester is recommended. A syllabus for the course will be emailed to parents in August. Recommended for grades 8<sup>th</sup>-10<sup>th</sup></p>	<p>Tuition: \$140 Lab Fee: \$25/year Required Text: Apologia's Exploring Creation with Physical Science 2<sup>nd</sup> Edition</p>
<p>6<sup>th</sup>-8<sup>th</sup> Science – Anatomy &amp; Physiology Tuesdays 3:30-4:25p Full Year Class (Fall/Spring) Instructor: Christy North</p>	<p>“Have you ever wondered what happens to the food you eat, or why your mom tells you to eat your vegetables? Have you considered why your body forms scabs over certain injuries?” These questions open the floodgates of learning all about the human body in <u>Exploring Creation with Human Anatomy and Physiology</u>, in Apologia's Young Explorers Series. In this course we will perform various labs from the text and hone lab report writing skills in preparation for high school lab sciences.</p>	<p>Tuition: \$140 Supply Fee: \$25/yr Suggested Text: Apologia's Exploring Creation with Human Anatomy and Physiology (Young Explorers Series)</p>
<p>6<sup>th</sup>-12<sup>th</sup> PE Tuesdays 4:30-5:25p Fall Only Class Instructor: Mike Schneider</p>	<p>In this class students will play a wide variety of games outdoors, explore fun ways to achieve fitness goals, and form lasting friendships. Please wear closed-toe shoes, longer shorts (just above the knee) or athletic pants, and a T-shirt with sleeves. Bring a water bottle!</p>	<p>Tuition: \$70 Supply Fee: none Required Text: none</p>
<p>6<sup>th</sup>-12<sup>th</sup> Wisdom Literature: Psalms/Proverbs Tuesdays 4:30-5:25p Spring Only Class Instructor: Mike Schneider</p>	<p>In this course we will be discovering the unique characteristics of Biblical Wisdom Literature. We will spend time learning how to study Psalms and Proverbs by studying them together. Students will further learn how to interact with God's Word as well as grow in learning the benefits of studying Scripture in group setting. The goal is for both immediate insight into God's Word as well as the development of lifetime study skills. There will be only limited reading assignments outside of class.</p>	<p>Tuition: \$70 Supply Fee: none Required Text: Bible</p>

## High School (9<sup>th</sup>-12<sup>th</sup>)

## TUESDAY CLASSES

<p>9<sup>th</sup>-12<sup>th</sup> English Composition I (for High School or College Concurrent Credit) Tuesdays 2:00-3:35p Full Year Class (Fall/Spring) Instructor: Jennifer Hutchins</p>	<p>This is a general college level course focusing on grammar, punctuation, spelling and careful analytical reading as well as vocabulary building and short compositions. Writing is based on selected readings, including biblical excerpts. Emphasis is placed on analytical thinking, critical reading, organization and ethical incorporation of sources. In addition, the student is introduced to beginning principles of elocution, simple speech formation and delivery.</p> <p>This course will address various types of expository writing as well as persuasive/ argumentative, and research writing.</p> <p>*For students taking this course as a <u>concurrent college course</u>, prerequisites include: Satisfactory score on SAT verbal (475) or ACT English (19). Application to Ecclesia College is also required. The workload of this class will include five main essays, midterm/final exams, reading and writing homework, in-class writing exercises, quizzes, and a 6-8 page research paper (presented both written and orally).</p> <p>*For students taking this course as a <u>high school class</u> workload will include four main essays, midterm/final exams, reading and writing homework, in-class writing exercises, quizzes, and a research project presentation.</p>	<p>Tuition: \$210 College Fee: \$70 Supply Fee: none Required Text: <i>The Bedford Handbook with 2009 MLA and 2010 APA Updates, Eighth Edition</i>, Diana Hacker and Nancy Sommers ISBN # 978-0312652692</p>

## Elementary & Middle School (K-6<sup>th</sup>)

### THURSDAY CLASSES

Class Details	Description	Fees & Text
<p>K-2<sup>nd</sup> Growing in Wisdom &amp; Grace Thursdays 2:30-3:25p Full Year Class (Fall/Spring) Instructor: Ginger Sanders</p>	<p>Luke 2:52 is our model for this class..."And Jesus grew in wisdom and in stature and in favor with God and man." Join us as we engage in fun activities that encourage godly character and develop Bible skills.</p>	<p>Tuition: \$140 Supply Fee: none Suggested Text: Bible</p>
<p>K-2<sup>nd</sup> PE Thursdays 3:30-4:25p Fall Only Class Instructor: Jen Spence</p>	<p>Come get those wiggles out! In this class we are going to get moving with stretching, games, races, balance practice, gross motor coordination, and more. Please wear closed-toe shoes, longer shorts (just above the knee) or athletic pants, and a T-shirt with sleeves. Bring a jacket for cooler days and don't forget a water bottle!</p>	<p>Tuition: \$70 Supply Fee: none</p>

## Elementary & Middle School (K-6<sup>th</sup>) Cont'd THURSDAY CLASSES

<p>K-2<sup>nd</sup> Playhouse Theater Thursdays 3:30-4:25p Spring Only Class Instructor: Jen Spence</p>	<p>This is a fun interactive class for kindergarten through second grade that will expose students to story-telling, dramatic play and many age appropriate language skills. We will experiment with making and using puppets, dressing up as story characters, and acting out classic tales, songs, and silly stories.</p>	<p>Tuition: \$70 Supply Fee: none</p>
<p>K-6<sup>th</sup> Choir I Thursdays 4:30-5:25p Full Year Class Instructor: Gabby Hamilton</p>	<p>This class will focus on developing musicianship and performance skills for elementary students. During the year, students will work on learning and applying the basic tenets of music through choir concert selections along with games and movement. Students will learn the beginnings of reading music, including basic rhythms, pitch, and style markings. Students will learn how to use voice tone and blend to sing in an ensemble as well as the beginnings of singing songs that include two part harmony.</p> <p>Choir repertoire will include, but is not limited to classical, sacred, folk song, contemporary Christian/worship and popular selections. The objective is to teach enjoyment of music through performance. This choir performs at our Christmas and Spring celebrations, with the possibility of occasional outside performances. Being present for rehearsal is of the utmost importance. If students miss more than two rehearsals in a given semester, and/or do not learn their part, they may not be eligible to perform.</p>	<p>Tuition: \$140 Supply Fee: \$15/yr Text: TBD</p>
<p>2<sup>nd</sup>-4<sup>th</sup> Writing Road to Reading Thursdays 2:30-3:25p Full Year Class Instructor: Christine Schneider</p>	<p>A multi-sensory language arts instruction in visual, auditory, verbal and motor (handwriting) developmental skills. Memorizing and mastering 72 (phoneme/grapheme) sounds and written combinations and their 47 rules in our language. Students move from listening and speaking what they understand to penmanship, spelling and simple composition practice. Spelling notebooks and flashcards will be created to build the decoding and recoding process of reading and thinking critically. Students will be encouraged to read out loud for reading practice.</p> <p>Students will need to bring: Composition Notebook index cards #2 pencils red pencil</p>	<p>Tuition: \$140 Supply Fee: none Suggested Text: Writing and Spelling – Road to Reading and Thinking</p>

## Elementary & Middle School (K-6<sup>th</sup>) Cont'd THURSDAY CLASSES

<p>3<sup>rd</sup>-6<sup>th</sup> Conversation Spanish Thursdays 2:30-3:25p Full Year Class Instructor: Ani Brown</p>	<p>This class will be practical focusing on conversational Spanish which can be used daily. Students will learn pronunciation, strengthen vocabulary (both spoken and written) and through the use of visual tools students will learn how to converse. The class will include games and a point system which will further engage the student's participation in the learning process.</p> <p>Students will need to bring: 3 Ring Binder 3 whole punch lined paper for class work Pen/Pencil</p>	<p>Tuition: \$140 Supply Fee: none Text: none</p>
<p>3<sup>rd</sup>-6<sup>th</sup> PE Thursdays 3:30-4:25p Fall Only Class Instructor: Starla Novak</p>	<p>This course offers the opportunity to have a great time with friends while keeping physical bodies healthy and strong. Through individual and team sports, we will use fun, weekly physical activity to contribute your student's overall well-being. Please wear closed-toe shoes, longer shorts (just above the knee) or athletic pants, and a T-shirt with sleeves. Bring a jacket for cooler days and don't forget a water bottle!</p>	<p>Tuition: \$70 Supply Fee: none Text: none</p>
<p>3<sup>rd</sup>-6<sup>th</sup> Theater I Thursdays 3:30-4:25p Spring Only Class Instructor: Starla Novak</p>	<p>With the goal of developing creativity and communication skills, this theater class provides a fun atmosphere to learn basic theater terminology, (script) memorization and improvisation skills. Personal confidence flourishes as each student works to develop their character and contributing to the overall production presented at the end of the semester.</p>	<p>Tuition: \$70 Supply Fee: \$10 Text: none</p>

## Junior High & High School (7<sup>th</sup>-12<sup>th</sup>) THURSDAY CLASSES

<p>7<sup>th</sup>-9<sup>th</sup> Elements of Writing Thursdays 2:30-3:25p Full Year Class Instructor: Alison Hendricks</p>	<p>“Writing is for most, laborious and slow. The mind travels faster than the pen; consequently, writing becomes a question of learning to make occasional wing shots, bringing down the bird of thought as it flashes by. A writer is a gunner, sometimes waiting in the blind for something to come in, sometimes roaming the countryside hoping to scare something up.” <i>The Elements of Style</i> by William Strunk, Jr. and E.B.White.</p> <p>We know that readers of good literature make the best writers simply because they know how good writing sounds. In this course we will use Strunk and White’s text as we learn to become better gunners of the written word. Favorite poems will be examined for style. Beloved children’s books will be referenced as well.</p>	<p>Tuition: \$140 Supply Fee: none Required Text: The Elements of Style by Strunk &amp; White and From Heart to Page by Michelle Van Loon (available @ Christianbook.com)</p>
--	---	---

## Junior High & High School (7<sup>th</sup>-12<sup>th</sup>) Cont'd THURSDAY CLASSES

<p>7<sup>th</sup>-12<sup>th</sup> Worship in Sign Language          Thursdays 3:30-4:25p          Full Year Class          Instructor: Cindy Boosey</p>	<p>In this class you will be learning American Sign Language (ASL) through worship songs and scriptures. We will learn to sign to old Hymns as well as contemporary songs. The students can bring in suggestions of songs and Scriptures that they want to learn. We will analyze the meaning and concepts of each song/Scripture to sign it accurately in ASL.</p>	<p>Tuition: \$140          Supply Fee: none          Text: none</p>
<p>7-12<sup>th</sup> Choir II          Thursdays 4:30-5:25p          Full Year Class          Instructor: Lauren Sova</p>	<p>This class will focus on developing musicianship and performance skills for students in grades 6-12. During the year, students will work on learning and applying the more advanced tenets of music through choir concert selections and activities that develop personal musicianship. Students will learn how to read and sing choral music with 4 part harmony. Students will explore more advanced concepts of musicianship such as ear training and simple music theory.</p> <p>Choir repertoire will include, but is not limited to classical, sacred, folk song, foreign language, contemporary Christian/worship and popular selections. The objective is to teach enjoyment of music through performance. Being present for rehearsal is of the utmost importance. This choir performs at our Christmas and Spring celebrations, with the possibility of occasional outside performances. If students miss more than two rehearsals in a given semester, and /or do not learn their part, they may not be eligible to perform.</p> <p>Auditions will be scheduled during the summer for students registered for Choir. <b>This is a full-year class.</b> (A full year commitment is required for enrollment in choir.)</p>	<p>Tuition: \$140          Supply Fee: \$15/yr          Text: TBD</p>

## Junior High & High School (7<sup>th</sup>-12<sup>th</sup>) Cont'd THURSDAY CLASSES

<p>10<sup>th</sup>-12<sup>th</sup> Apologia Chemistry Thursdays 2:00-3:25p Full Year Class Instructor: Jennifer Calvert</p>	<p>This high school chemistry course will give the student a rigorous foundation in chemistry and prepare him or her for a college-level course. This is a two-semester course which covers significant figures, units, classification, the mole concept, stoichiometry, thermochemistry, Thermodynamics, kinetics, acids and bases, redox reactions, solutions, atomic structure, Lewis structures, molecular geometry, the gas laws, and equilibrium. Students who take and understand this course will be very well-prepared for a rigorous university chemistry course.</p> <p>Each class will be spent completing the labs in the course textbook. All supplies and lab equipment will be provided and paid for by the lab fee. A lap-book journal e-book has been purchased for Ecclesia and will be provided for the parent/student to use at their discretion. Tests will be given to take home, complete, and turn in the following week. Opportunities for extra-credit will be provided. Students will receive a cumulative Lab and Test grade at the end of each semester.</p> <p><b>Prerequisite:</b> Algebra I</p>	<p>Tuition: \$210 Lab Fee: \$40/yr Required Text: Exploring Creation with Chemistry, 2<sup>nd</sup> Edition ISBN:978-1-932012- 26-2</p>
---	--	---
