Ecclesia College is an equal opportunity institution. It does not discriminate based on race, sex, color, national or ethnic origin. Ecclesia College reserves the right to make changes in courses, policy, regulations and fees, as circumstances dictate subsequent to publication.

From the President

Thank you for considering the benefits of an Ecclesia College education. We believe Ecclesia College offers a unique educational opportunity that differs substantially from what you might experience at a public institution. To begin, Ecclesia offers a biblical higher education. By this we mean that, regardless of their major, all students take a concentration of studies in Bible and theology. The Bible is God's revelation to mankind. It contains information that cannot be discovered through human effort. Indeed, it provides guidance regarding how to relate to both our Creator and our fellows. A secular education deals only with matters that can be discovered through human effort.

To be successful in life it is imperative to deal with reality. If we attempt to make decisions, but fail to take reality into account, our decisions will be flawed. Accordingly, we must be aware of both the truth that can be discovered through human effort and the truth that God has revealed in His message to humankind, the Bible.

In our current world, change is occurring so rapidly that it is difficult to determine what the generation currently attending college will need during their lifetime. Educators generally agree, however, that there are at least three skills that will never go out of date. These timeless skills involve working with people, communicating with people, and solving problems for people. A biblical higher education provides excellent preparation relative to these skills. As noted, the Bible explains how we should interact with other people. Because of the Bible's emphasis on the Great Commission, we are highly motivated to develop our communication skills. Communication is always a very important emphasis of a biblical higher education. Finally, the Bible is like a many layered onion. It contains stories that a young child can enjoy, but it also provides issues that engage scholars throughout their lifetime. Serious Bible study develops an individual's problem-solving skills.

Added to Ecclesia's offer of a biblical higher education, the College is also a work college. Its emphasis on work provides students two distinct advantages over most institutions of higher education. Their opportunity to work helps keep the cost of the education low. Graduates of Ecclesia College typically enjoy a significantly reduced level of debt upon graduation compared with most institutions. Beyond this benefit, however, the College's work program provides students the types of skills that employers seek. When graduates get into the job market, they already have experience that will help them get their first job. They have the character and skills to be productive in ways that will greatly benefit their employers.

Ecclesia provides students the type of loving community that will help them reach their full potential. Regardless of their past experiences, students will enjoy love and acceptance at the College. They will be given opportunities to develop leadership skills. They will make lifelong friends, many of whom will be mentoring faculty members. We hope you will consider engagement with the type of biblical higher education that Ecclesia College offers.

President
Michael A. Novak

**ECCLESIA COLLEGE
SPOKESWOMAN,
*Twila Paris***

“The foundation of my ministry was built through my studies at Ecclesia College in Springdale, Arkansas. That same life-changing curriculum is now available to you during your studies at my alma mater.

Every day I draw from the principles I learned and the experiences I had, both in class and on outreach. The Lord impacted my life in a profound way, and I know He will do the same for you.

God may be leading you to continue your study through Ecclesia College.

Remember, no obstacle is insurmountable when God has ordained our steps. No sacrifice is too great when we respond in obedience to His direction. No doubt, you will be tested. I pray that you will not allow anything to hinder your faith and obedience to the Lord. We are all standing with you, believing God to make the way.”

GENERAL INFORMATION

Mission Statement

As an institution of biblical higher education, Ecclesia College equips Christ followers with godly character traits, academic competencies, and work skills to be effective leaders for the advance of Christ's Kingdom within our troubled world.

Seven (7) Core Foundational Values

As an Institution of Higher Learning, holding that all truth is God's truth and Biblically consistent, Ecclesia College embraces these Seven (7) Core Foundational Values:

Bible-based Education

We are called to study all disciplines in light of the Holy Scriptures to "show ourselves approved unto God, workmen that need not be ashamed, rightly dividing the word of truth," learning to think and walk honestly before Him in the pure light of His truth, according to our ever-increasing frame of reference.

Comprehensive Learning

We are called to the ideal educational prescription of "adding virtue to faith and knowledge to virtue" in that order of cyclical increase through mentoring for life and learning, God-honoring academically challenging classes, work-learning internships, community service, and Christian outreach.

Inclusion of the Whole Body of Christ

The family of God under the Lordship of Christ is called to "maintain the Spirit of unity...until we come into the unity of the faith." We are called to faithfully serve the whole Body of Christ, understanding that our true compatibility is based on our shared Christ-life, core foundational values, God-given vision, godly relationships, and wholehearted involvement.

Practical Norm for Life and Learning

The holy, spiritual, and eternal mindset of redeemed mankind eclipses and surpasses the profane, carnal, and temporal mindset of fallen mankind while reestablishing the only truly practical norm for all things. We are called to live and learn now in light of eternity's values anticipating God's "well done."

Missional Priority

Christ's Great Commandment and Great Commission are integral to advancing His Kingdom within ourselves and among all people groups in all nations. We are called to prepare and equip faithful ministry-minded persons of excellence, integrity, and order for professions across all aspects of society and to grow networking resources for them in their chosen vocations and further study, serving to increase and reinforce their quality of learning and service.

Lifelong Learning

Humankind is the highest order of intelligent beings on earth individually created by God in His own image for a unique purpose higher than ourselves to enjoy Him and be enjoyed by Him forever. We are called to a wholesome curiosity and continued learning of the why, what, how to, and eventual outcomes of the faithful stewardship of our thought, time, talent, treasure, and trust.

Community and Personal Wellness

We are called to interdependence over isolation based on God's firm principle of domain with forgiveness of trespasses as the basis for healthy, committed relationships aligned with His heart and ways. We also honor God in preparing for longer-term, joyful service by following good healthful practices such as proper diet, adequate rest, regular exercise, and consistent meditation on Him.

Institutional Outcomes

Ecclesia College prepares and enables students to achieve competence in seven broad areas: Biblical Worldview and Faith, Critical and Creative Thinking, Effective Communication, Integrity, Leadership, Lifelong Learning, Service and Stewardship. Those seeking a bachelor's degree will also be prepared to demonstrate major field competency.

Biblical Worldview and Faith

Ecclesia College graduates will make mature, independent choices based on principles of the Christian faith and a biblical worldview.

Specific Desired Outcomes Relating to **Biblical Worldview and Faith**:

- Articulate how a biblically-based worldview affects beliefs, values, decisions, and interactions with others.
- Make life choices based on a biblically-based worldview and principles of the Christian faith.
- Demonstrate patterns of devotional practice and personal growth that will equip one for spiritual leadership.
- Demonstrate basic scriptural interpretive skills.

Critical and Creative Thinking

Ecclesia College graduates will apply critical thinking skills based on a biblical worldview and principles to making personal and professional decisions.

Specific Desired Outcomes Relating to **Critical and Creative Thinking**:

- Research, analyze, integrate, and evaluate information from a variety of sources.
- Solve quantitative problems.
- Use the scientific method to examine and interpret data, as applicable.
- Construct well-reasoned arguments and solutions.
- Use existing knowledge to generate novel and innovative ideas.
- Synthesize and transfer learning to new, more complex, and unscripted situations.

Effective Communication

Ecclesia College graduates will communicate effectively, using verbal, non-verbal, written, listening and electronic technologies, as appropriate to the occasion, task, and context.

Specific Desired Outcomes Relating to **Effective Communication**:

- Communicate effectively using written, oral, and nonverbal skills
- Adapt communication style to the occasion, task, and audience.
- Listen with understanding.
- Interact with others appropriately in a culturally-diverse and increasing pluralistic world.
- Demonstrate proficiency in the use of electronic technologies common to the workplace.

Integrity

Ecclesia College graduates will live their lives, personally and professionally, based on integrity and the highest ethical standards.

Specific Desired Outcomes Relating to **Integrity**:

- Show honesty and integrity in interactions and situations.
- Demonstrate responsibility and trustworthiness in the execution of duties.
- Articulate and defend ethical position based on biblical principles and worldview.
- Identify ethical issues in personal, professional, church, and civic life.

Leadership

Ecclesia College graduates will demonstrate leadership skills within vocational, church, community, and service contexts.

Specific Desired Outcomes Relating to **Leadership**:

- Exhibit leadership skills, as appropriate, to solve problems and strive for excellence.
- Work cooperatively with others to accomplish a common goal.
- Demonstrate accountability in one's actions and decisions.

Lifelong Learning

Ecclesia College graduates will pursue ongoing development of intellectual, creative, and theological knowledge and skills necessary to learn and grow throughout life.

Specific Desired Outcomes Relating to **Lifelong Learning**:

- Articulate the importance of lifelong learning.
- Accept constructive criticism.
- Recognize opportunities for improvement.
- Apply strategies for a practice of lifelong learning.
- Participate actively in organizations supporting one's profession.

Service and Stewardship

Ecclesia College graduates will practice the biblical imperatives to serve people and be faithful stewards of the Church and God's created resources.

Specific Desired Outcomes Relating to **Service and Stewardship**:

- Discuss current social problems in their cultural and historical contexts and suggest solutions for such problems based on biblical values and ethics.
- Benefit their local church and communities through responsible engagement and leadership.

Ecclesia College Distinctives

Shaping individuals into servant leaders with Christ-like character distinguishes Ecclesia College (EC). We begin the process of cultivating leaders through the Alpha and Beta Seminars. A student's education at EC is filled with discipline and purpose to help him/her in developing skills to become a lifelong learner.

**The First Year Program uses a model focused on Biblical mentoring
and expands through these components:**

The **New Student Orientation** assists new and transferring students in transitioning to life in our college community. Current upper level students sharpen their leadership skills by helping incoming students adjust to their new home. The orientation program stresses the importance of excellence, integrity, and order for all of life.

The **Learning Community** (cohort classes) ensures that groups of new and transfer students share at least four BIBL/THEO classes in their first two years at Ecclesia, and promotes integration into academic life, structuring student time, and advocating participation in team projects and study.

The **Alpha Seminar** builds on the New Student Orientation program. This required, one-credit-hour course for new and transfer students includes readings, lectures, classroom discussions, and experiential activities facilitated by faculty, administrators, and peer leaders. The course explores important topics such as character development, critical thinking, worldview, personal responsibility, accountability, and other college values.

All Ecclesia College students participate in the following:

The **Assemblies** underscore the College's biblical values and ideals. A whole-life Christian living approach is emphasized as Christian leaders, professionals, faculty, and students share their life lessons at required campus-wide assemblies that meet two times each week.

Our **Mentoring Program** provides regular contact with the students. Mentors act as role models in Christ-like life, vision, values, relationships, and campus involvement.

The **Work Learning Service Program** has a goal to strengthen students' understanding of work as a tool for experiential learning and serving the campus and regional community. Graduates leave Ecclesia College with not only an academic degree, but also experience in personnel management, teamwork, conflict resolution, and ethics in the workplace. Successful completion of the Work Learning Service Program becomes one of the main criteria in determining Christian character and in nominating students for graduation by the Ecclesia College Faculty to the Board of Governance.

The **Service Learning** (Christian/Community Service) requirements begin in the first year and continue through the student's last term. Service projects enhance campus community and broaden the student's sense of personal and civic responsibility. Successful completion of Service Learning participation becomes one of the main criteria in determining Christian character and in nominating students for graduation by the Ecclesia College Faculty to the Board of Governance.

The **Code of Honor** is emphasized during the President's Assembly at the beginning of each semester. This is a time in which all students, faculty, and administration commit to uphold and champion the Ecclesia College standards of good conduct and character.

Educational Philosophy of Ecclesia College

Copyright © January 8, 2013

The educational philosophy of EC is based on the belief that the Bible is God's inspired, inerrant, and authoritative Word. In accord with this, EC pursues biblical methods and practices in educating and equipping men and women for their chosen fields of service and for the wise conversion of their thought, time, talent, treasure, and trust into eternal riches to enjoy with God forever rather than passing, temporal values.

All truth is God's truth and biblically based and should, therefore, be integrated with the principle approach to education from the biblical perspective. Such basic principles include:

1. God desires all mankind to come to the knowledge of the truth.
2. God intends mankind to know Him and His ways with His creation.
3. God speaks His truth in love through His living Word.
4. God calls all mankind to believe in Himself through His Son by His Spirit.

5. God calls all believers to their highest good by building virtue on their faith and knowledge of the truth on their virtue (2 Pet. 1:5-7).

God values and blesses EC's five-point educational approach for learning, growing, and equipping:

1. Mentoring Program – Christ-centered mentoring for life and learning according to the student's giftings and callings (2 Tim. 2:2).
2. Academically challenging faith and character-based classroom (2 Pet. 1:5-7).
3. Work Learning with hands-on in-service related to the student's chosen field of service and/or further study.
4. Service Learning with practical application.
5. Christian outreach in response to God's loving heart for others through internships and practicums.

EC's regular Assembly Program serves to communicate this educational approach, which addresses the three deepest heart questions of the student:

1. Leading students on their search for the “why” of each truth will inspire a growing knowledge, wisdom and understanding. This will deepen their enthusiasm and resolve of heart for excellence, integrity, and order to live their lives now in the light of eternity.
2. Leading students on their search for the “what” of each truth will clarify their frame of reference to know the highest good with the right objectives.
3. Leading students on their search for the “how to” will strengthen their confidence in God's ways as always best.

ABHE Tenets of Faith

Ecclesia College affirms support for the Tenets of Faith of the Association for Biblical Higher Education.

According to the Constitution of the Association for Biblical Higher Education, the following statement of faith is subscribed to annually by each member institution through the signatures of the president or of a board official.

1. We believe that there is one God, eternally existing in three persons, Father, Son and Holy Spirit.
2. We believe the Bible to be the inspired, the only infallible, authoritative Word of God.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious death and atonement through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal and visible return in power and glory.
4. We believe that man was created in the image of God, and that he was tempted by Satan and fell, and that, because of the exceeding sinfulness of human nature, regeneration by the Holy Spirit is absolutely necessary for salvation.
5. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life, and by Whom the Church is empowered to carry out Christ's great commission.
6. We believe in the bodily resurrection of both the saved and the lost; those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation.

Ecclesia College Code of Honor

“Excellence, Integrity, & Order”

John 13:34-35 – “A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another.”

Preamble

The Bible is God’s inspired and authoritative Word, revealing that Jesus Christ is God’s only begotten Son; that all people are created in God’s image; that He created us to have eternal life in Him through His Son, Jesus, “Christ, in you the hope of glory,” to “separate the holy from the profane,” “extract the precious from the worthless,” discern the spiritual, which is of God, by God, and for God, from the carnal, which is of self, by self, and for self, and to convert our thought, time, talent, treasure, and trust to God’s eternal riches over temporal values; that although all have sinned and come short of God’s glory, God has made salvation possible through the death on the cross and resurrection of Jesus Christ; that hope, repentance, faith, love, and obedience are fitting responses to God’s initiative of grace toward us; that God desires everyone to be saved and to come to the knowledge of the truth; that the Holy Spirit’s power is demonstrated in and through us for the accomplishing of Christ’s Great Commandment to “Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind, and love your neighbor as yourself” with His Great Commission to “go into all the world and preach the Gospel to every creature” and “make disciples of all nations;” and that Christ’s Church is God’s authorized model and agency for the advancement of His Kingdom (Luke 10:27; Colossians 1:27; Jeremiah 15:19; Mark 16:15; Matthew 28:19).

IN THAT GOD LOWERS HIS STANDARD OF EXCELLENCE, INTEGRITY, AND ORDER FOR NO ONE, BUT RATHER ALWAYS PROVIDES SUFFICIENT GRACE TO THE HUMBLE TO MEET HIS STANDARD (1 PETER 5:5), THE ECCLESIA COLLEGE BOARD OF GOVERNANCE HAS ADOPTED THE FOLLOWING STUDENT CODE OF HONOR.

This Code of Honor supplements the current EC Student Handbook.

As a student at Ecclesia College, I will endeavor to exemplify Christ-like character through my daily personal prayer life, study of the Word of God, through faithful attendance at assembly and a local church, and the pursuit of excellence in my academic program and attainment of the institutional outcomes (see *Ecclesia College Institution-Wide Outcomes* on Populi, Shared Files).

In signing the Code of Honor, I fully recognize that Ecclesia College was founded to be and is committed to being a Christian religious institution of higher education that offers a lifestyle of commitment to Jesus Christ as personal Savior and Lord as an integral part of its educational and evangelistic outreach. It is therefore my commitment to be a person of integrity in my attitude and respect for what Ecclesia College is, in its calling to be a Christian college.

I accept my attendance at EC as a privilege and not a right and understand that the college reserves the right to require the withdrawal of a student at any time if in the judgment of the President of the College or of the College Student Development Committee such action is deemed necessary to safeguard EC’s ideals of scholarship or the spiritual and moral atmosphere of it as a Christ-centered college.

In response to God’s grace and mercy, according to Jesus’ commandment to love the Lord your God with all your heart, soul, mind, strength, and to love your neighbor as yourself:

I commit to grow in my spirit in developing my own relationship with Jesus Christ. I commit to grow in God's grace and knowledge for His pleasure and glory.

I commit to participate in a local body of believers where Jesus Christ is worshiped.

I commit to develop my body with sound health habits by participating in wholesome physical activities and avoiding addictive substances. I will not take any illegal drugs, synthetic drugs, or misuse any drugs.

I commit to biblical sexual purity. I understand that sexual relations outside of a biblically ordained and legally recorded marriage between a natural-born man and a natural-born woman are not permissible at Ecclesia College. In my personal relationships, I will abide by common sense guidelines to avoid the appearance of impropriety.

I commit to cultivate good relationships with others and to seek to love others as I love myself. I commit to building others up with my words. I will not lie; I will not steal; I will not curse; I will not gossip; I will not slander.

I commit to live in a way that honors my brothers and sisters in Christ and will avoid actions and behaviors that could be a stumbling block to them. With this in mind, I will not drink alcoholic beverages of any kind. I will support the College's tobacco-free campus policy.

I commit to developing myself academically for the glory of God. I will not cheat or plagiarize. I will do my own academic work and will not inappropriately collaborate with other students on assignments.

I commit to responsibly serve in the work-learning program with integrity and a heart of servanthood.

Because I love my fellow students and desire God's heart and highest for them, I will be faithful, according to the steps of Matthew 18, to hold them accountable to the commitments they have made to abide by the Code of Honor. Matt. 18:15-17 step 1) I will go to my brother/sister in an attitude of humility and love. If they respond correctly, I have won them. 2) If they do not respond correctly, I will go back a second time bringing one or two brothers/sisters with me in the same attitude. If they respond correctly, then we have won them. 3) If they persist in sin, I will bring the matter to the proper authority (e.g. Student Development Office). If I knowingly ignore and do not follow these steps, I am also guilty of violating the Code of Honor.

I commit to keep my total being under subjection from all immoral and illegal actions and communications. I commit to abide by the rules and regulations that are in the Student Handbook and any subsequently adopted by the college administration. I commit to be punctual and attend classes, assemblies, and all required meetings according to EC policy. I understand that Ecclesia College is a private school, and I therefore have no vested rights in the governing of the school.

I commit to keep the Code of Honor carefully and prayerfully. I understand that my signature below is my acceptance of the entire Code of Honor and completes a contract between me and Ecclesia College which is a prerequisite for matriculation, graduation, and my continued association with the College and becomes a part of my permanent file.

History

Ecclesia College has its roots in two Bible Schools: one in Springdale, Arkansas, and the other in Omaha, Nebraska.

In September of 1975, Oren II and Inez Paris with Oren “Dad” Paris Sr. and Marylydia Nicholson “Mom” Paris opened Ecclesia’s Basic Ministries Program in Springdale, Arkansas. “Mom” Paris added her Inductive Bible Study Program to form the Elm Springs Bible School. “Mom” Paris expected her students to summarize each chapter of the Bible before consulting other required library sources in order to build in the student confidence to hear God through His living Word.

“Mom” Paris directed the Bible School until September of 1990, when Dr. Charles Schism became Academic Dean and introduced New Testament Greek as he began expansion toward the four-year Biblical Ministries Program of Elm Springs Bible College.

In September of 1975, the Reverend Oliver Olson and his wife Patricia had founded the Omaha Bible School upon the lecture-study classroom method. While he and Patricia directed the school, Mr. Olson answered invitations as a highly respected Bible lecturer.

In August 31, 1995, Omaha Bible School merged with Elm Springs Bible School, forming the Biblical Ministries Program of Elm Springs Bible College. In September 1997, the Board of Governance unanimously voted to change the name from Elm Springs Bible College to Ecclesia College.

In 2003, the Board of Governance bestowed the honor of Chancellor on outgoing President Oren Paris II and elected Oren Paris III Ecclesia College President.

In 2005, Ecclesia received initial institutional accreditation from the Association for Biblical Higher Education (ABHE). ABHE accreditation was reaffirmed through 2020.

Founder and Chancellor, Oren Paris II, went to be with the Lord in June of 2012. His wife of 56 years, R. Inez Paris, was installed as Chancellor the following July.

Dr. Randall E. Bell was elected by the Board of Governance and installed as President on April 13, 2018, following the resignation of Oren Paris III as College President after many years of faithful service. Dr. Bell resigned as President, effective December 21, 2020. Michael A. Novak assumed the presidency on January 1, 2021.

Accreditation & Recognition

Ecclesia College receives institutional accreditation for higher education with The Association for Biblical Higher Education (ABHE). Ecclesia College has been accredited with ABHE since 2005 and has received reaffirmation of accreditation status through 2030. ABHE is recognized by the U.S. Department of Education and Council for Higher Education Accreditation (CHEA).

Ecclesia College became a member of the National Association of Independent Colleges and Universities (NAICU) in July of 2009.

The college participates in the following federal student aid programs: Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Veterans Assistance, Federal Work-Study, Federal Work College Program and Direct Loans. All prospective and incoming students are encouraged to complete the FAFSA form to determine personal financial eligibility. For more information, visit the following website, www.studentaid.gov. **The Ecclesia College federal school code is 038553.**

Ecclesia College is authorized by the U. S. Department of Homeland Security and the Student and Exchange Visitor Program to issue Form I-20 to prospective F-1 nonimmigrant students.

Pursuant to ACA §6-61-301, the Arkansas Higher Education Coordinating Board (AHECB) recognizes Ecclesia College as an Arkansas independent four-year college as of January 30, 2015. However, this recognition does not constitute an endorsement of the institution or any degree offerings. AHECB acknowledges that selected courses offered by Ecclesia College have been reviewed by the Arkansas Department of Higher Education (ADHE) for inclusion in the Arkansas Course Transfer System (ACTS) under the provisions of Act 672 of 2005.

Location

Ecclesia College is nestled in the scenic Ozark Mountains in Northwest Arkansas. It is located in Springdale, just north of Fayetteville—home of the Arkansas Razorbacks. Beaver Lake and Devil’s Den State Park are both just a 30- to 60-minute drive from campus for a day of swimming, hiking, boating or picnicking. In addition, the popular tourist attractions of Eureka Springs and Branson are a short drive north. For a variety of shopping centers, restaurants, and cultural events visit Fayetteville and Tulsa, which are both easily accessible from Springdale, as well as the Crystal Bridges Museum in Bentonville. Ecclesia College is an ideal place for discovering the plan God has for your life.

Campus Visits

For a first-hand view of Ecclesia College life, guests should arrange for a visit to the Ecclesia College campus through the Ecclesia College website: ecollege.edu/planyourvisit. Interested students, parents, and guests will have an opportunity to attend classes, visit with faculty, have lunch with the students, and talk to their host about all phases of the Ecclesia College experience. Please arrange for your visit at least 48 hours before your planned arrival.

ADMISSION INFORMATION - Undergraduate

Ecclesia considers applicants holistically based on academics, spiritual life, and godly character.

Direct Admission Requirements

First-Time Freshmen Applicants

A first-time freshman is defined as an applicant with 12 hours or less earned credit hours from an accredited institution after graduating from high school.

- Official high school transcript demonstrating a minimum 2.0 cumulative GPA
 - Public, private, homeschool transcripts, or international secondary completion equivalent
 - GED certificate or high school diploma equivalent
- A minimum ACT score of 19 or equivalent
- Additional requirements
 - Pastor Reference
 - Character Reference
 - Admission Interview
 - Code of Honor

Transfer Student Applicants

A transfer applicant is defined as one who has earned 24 or more college credit hours from an accredited institution(s).

- Official high school transcript demonstrating a minimum 2.0 cumulative GPA*
 - Public, private, homeschool transcripts, or international secondary completion equivalent
 - GED certificate or high school diploma equivalent
 - High school graduation may be self-certified in special circumstances for non-traditional aged students and transfer students
- All official college transcripts for each institution in which you have been enrolled, demonstrating a minimum 2.0 cumulative GPA
- Additional requirements
 - Pastor Reference
 - Character Reference
 - Admission Interview
 - Code of Honor

*Recognized equivalents of high school transcript include: an associate degree, successful completion of 60 semester or trimester hours or 72 quarter credit hours not resulting in an associate degree but is acceptable towards a bachelor's degree.

Note: Official transcripts are required by the eleventh day of classes to qualify for any student financial aid as a transfer student. Otherwise, students will be classified as “freshmen” until such a time as official documentation is received in the Registrar’s Office. Courses with a grade of “C” or higher from accredited colleges and universities will receive full transferability equivalent.

International Applicants

An international applicant is defined as any student who requires an F-1 visa to study, is not a U.S. citizen, permanent resident, or asylee.

- Official high school diploma, transcript, and/or national secondary school certificate, along with a certified evaluated English copy demonstrating a minimum 2.0 GPA equivalent
- If applicable, all official college transcripts for each institution in which you have been enrolled, demonstrating a minimum 2.0 cumulative GPA, along with a certified evaluated English copy(s)
- If your native language of instruction is not English, we require one of the following test scores to help us measure your ability to use and understand English at the collegiate level: ACT, SAT, TOEFL® or IELTS®
 - TOEFL®: Visit ets.org to send us your score using our school code: 6362 (score requirement: 80, with each subset score ≥ 20)
 - IELTS®: Visit ielts.org to send us your score using our name: Ecclesia College (score requirement: 6.5)
- Additional requirements
 - Pastor Reference
 - Character Reference
 - Admission Interview
 - Code of Honor

Concurrent Applicants

- Official high school transcript demonstrating a minimum 3.0 cumulative GPA (public, private, or homeschool transcripts)
- A minimum ACT individual subject score of 19 or equivalent for placement in college-level English Composition and math courses
- Letter signed by a parent or legal guardian stating that the student meets the criteria established by the Arkansas Board of Higher Education

Qualifying high school students may attend Ecclesia College to take selected courses. More information is available upon request.

Dual Enrollment Applicants

Students who wish to matriculate in Ecclesia College and another accredited college or university at the same time must receive prior approval from the Academic Dean and their degree granting department coordinator. Dual enrollment applicants are considered for admission under the same criteria as First-time Freshman and Transfer applicants.

Non-Degree Seeking Applicants

Applicants who wish to take classes at Ecclesia College for personal enrichment but who are not pursuing diplomas or receiving federal student aid funding may apply for admission as a Non-Degree Seeking student. Most Non-Degree Seeking students are enrolled in no more than eleven (11) hours per semester. Non-Degree Seeking students who later decide to pursue diplomas must follow the regular admission process. Forms for admission as a Non-Degree Seeking student are available in the Enrollment Office.

Applicants for Re-admission

Applicants who have been out for one semester will need an updated pastor reference and must submit any transcripts for any college course work while they were out.

Applicants who have been out for two or more semesters need to complete all admission requirements according to their student category.

Applicants who do not meet the direct admission requirements will be reviewed by the Admissions Committee and be admitted following Provisional and Conditional Guidelines.

Application Procedures

Application forms are available through the Ecclesia College website: www.ecollege.edu/apply-now/

A \$35.00 non-refundable application fee is required and due at the time of admission application. (The application fee is waived for EC Prep students as well as students who make a campus visit appointment.) International student applicants are charged a \$125 non-refundable application processing fee and this cannot be waived.

Required documentation listed by student category must be submitted to the Enrollment Office in one of the following ways preferably by the priority deadline of June 1.

Conditional/Provisional Acceptance

Conditional Acceptance

Students who do not meet minimum admission standards may be admitted conditionally for one semester upon review and approval by the admissions committee. A 2.0 minimum GPA is expected at completion of first semester. All students conditionally accepted are evaluated at the end of their first semester by the academic committee regarding student's eligibility for continued enrollment. SAP standard evaluations apply.

Provisional Acceptance

Students who do not have access to final official documents during the application process may be admitted provisionally. Students so admitted will be required to provide any missing documentation at or before Enrollment Validation.

Student ADA Services

Ecclesia College makes every effort to offer equal educational opportunities for all students. To ensure a total college experience for students with disabilities, Ecclesia seeks to provide reasonable accommodations and services to students who are physically and/or learning disabled. The underlying philosophy of the program is to provide support, where possible, that will maximize each student's opportunities for academic success. Working in partnership with the student, the ADA Coordinator will develop an individualized plan for

services which may include academic advisement and accommodations in testing and instruction. A student with disabilities may present validation of his/her disability and request services by contacting the Student ADA Coordinator in the Academic Office, Ecclesia College, 9653 Nations Dr., Springdale, AR 72762 (479) 248-7236 or the Enrollment Office: admissions@ecollege.edu.

Registration/Enrollment Validation Procedures

The official registration process at Ecclesia College is known as Enrollment Validation (EV). Each student is required to meet with or work via email with the major student services departments on campus (i.e., Admissions, Registrar's Office, Housing, Financial Aid, Business Office, and others) and finalize the EV procedures by the end of the designated business day as announced in student notifications via Populi. Should a student not complete the EV process in a timely manner, a \$100 fee will be assessed.

Pre-registration/Course Selection

Current students will participate in course selection (also referred to as pre-registration) for Spring semesters in November prior to the Thanksgiving break and for Fall semesters in March prior to Spring break. The college reserves the right to cancel any course which has less than six (6) students registered by the last day to add/drop a course. In the event a class is cancelled because of minimum student enrollment, the Registrar's Office will notify students in writing and academic advisors will guide them in the selection of other appropriate courses.

Late Registration

A \$100 late registration fee may be assessed of any student who begins the admissions process on or after the first day of classes.

Audit Policies

Students may request permission to audit courses with the instructor's approval if they indicate their desire to do so at registration. Auditors will be allowed only if the course is not full. A student may change from audit to credit with the instructor's permission by the announced official add/drop date. A student may change from credit to audit with the instructor's permission by the announced official last day to withdraw/change from credit to audit (see academic calendar). However, registration procedures must be followed through the Registrar's Office. If the change occasions an increase in tuition cost, the student will be charged accordingly. Appropriate add/drop fees apply.

Academic Calendar

To confirm academic calendar deadlines, the student should consult the college's official academic calendar listed in the EC Academic Catalog on the college website: www.ecollege.edu.

Withdrawal Procedures

Official withdrawal from college

To officially withdraw from the college a student must obtain permission from the Dean of Students. Then, the student must officially drop his or her classes through the Registrar's Office (get official withdrawal list from either Dean of Students or Registrar). When a student withdraws from Ecclesia College, the withdrawal date used to determine the refund is the last date of attendance at an academically related activity. The student is expected to meet all obligations involving college administration, faculty and fellow students, books and library fees. Transcripts will be held until all college financial obligations are met, as well as probationary issues, if applicable.

Students who do not fulfill the above-mentioned procedures will be considered to have “unofficially withdrawn” from the college. If a student fails to earn a passing grade in at least one course offered over an entire semester, or if a student earns a 0.00 grade point average (GPA) for a semester, he/she is considered to have “unofficially withdrawn” from the college. In that event, the Registrar’s Office is charged with investigating if the student finished the semester or simply “dropped out”. In either event, last dates of attendance will be requested from all appropriate teachers and leadership of academically related activities for an accurate assessment and determination as to the final date of attendance. The Financial Aid Office will be notified accordingly by the Registrar.

Official withdrawal from a class

To officially withdraw from a class, or make any changes in registration, student requests must be presented in writing--appropriately signed and dated by the professor as well as athletic coach (if applicable). A Class Add/Drop Form must be obtained from the Registrar’s Office or downloaded from the college’s website: www.ecollege.edu or Populi Shared Files.

Students who fail to officially withdraw from a class by the date published on the Ecclesia College official academic calendar may be subject to a final grade of “F”.

Leave of Absence (LOA) Policy

As of August 29, 2019, Ecclesia College will no longer have a Leave of Absence policy. Students seeking to leave the institution must use the withdrawal process.

VA 38 USC 3679 (e)

In accordance with Title 38 US Code 3679(c), this educational institution adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post-9/11 G.I. Bill® (Ch.33) or Vocational Rehabilitation & Employment (Ch.31) benefits, while payment to the institution is pending from VA. This educational institution will not:

- Prevent the student’s enrollment;
- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students may be required to:

- Produce the VA Certification of Eligibility (COE) by the first day of class;
- Provide a written request to be certified;
- Provide additional information needed to properly certify the enrollment as described in other institutional policies.

ACADEMIC INFORMATION

Academic Advisement

Each new student is appointed an academic mentor (advisor) by the Registrar's Office as soon as degree or vocational interests are ascertained by admission personnel. This information is entered in the College's student management system.

During the first semester of studies at Ecclesia College, each student should meet personally with his/her academic mentor about the major field of study as well as any pertinent emphases, concentrations or minors.

Should a student desire to switch majors, the Registrar's Office must be notified in writing.

Academic mentoring for all students is conducted on a bi-annual basis, once in the Fall and once in the Spring. However, students are welcome to visit with the Registrar, Academic Dean, Division Chair, Department Coordinator and general faculty at their convenience. Special appointments can be made by calling in advance or e-mailing the appropriate personnel. (Refer to the college's student management system for appropriate contact information for faculty/staff.)

Academic progress, or lack thereof, is monitored by the Academic Dean's Office for each EC student. A copy of the student's unofficial transcript is available for printing from the College's student management system. Students may view their academic progress by referring to their degree audits available in Populi.

Normal Course Load

A normal full-time college level course load is between twelve (12) and eighteen (18) semester credit hours. The College recommends a student plan to enroll in sixteen (16) hours per semester in order to complete satisfactorily a four (4) year baccalaureate degree in a timely manner.

Athletes enrolled in the one hour activity physical education course during their first four semesters at EC should aim at taking at least 16 hours per semester in order to complete their four (4) year baccalaureate degree in a timely manner.

The student's course load is determined in consultation with his/her academic mentor but must not exceed eighteen (18) hours per semester without special permission from the Academic Dean. Students requesting special permission for a heavier academic load must have a cumulative grade point average of 3.4 or better at Ecclesia College. No student will be granted permission to take more than 21 credit hours in a given semester.

Any student matriculating in nineteen (19) hours or more of classes, with appropriate approval, will be charged the regular tuition fee for each hour he/she is enrolled over the initial full-time load of eighteen (18) hours. In other words, a charge of FULL TUITION/unscholarshipped will be assessed beginning with the nineteenth hour and for every hour of credit attempted above nineteen thereafter. (An exception is granted to students participating in College Choir or Worship Ensemble as their nineteenth hour.)

Course Numbering

The **second digit** in Ecclesia College's numeration system indicate **amount of semester credit hours** each course receives. The first number usually indicates the academic level of the course. The last two digits in the course number distinguish that course from others offered within the same discipline of study.

Full-Time Status

Full-time student is defined as being enrolled in a minimum of twelve (12) credit hours. Consequentially, three-quarter time status is defined as being enrolled in nine to eleven (9-11) credit hours; half-time status is defined as being enrolled in six to eight (6-8) credit hours; and quarter time is defined as being enrolled in one to five (1-5) credit hours.

Recorded course withdrawal does not change full-time status unless the student withdraws from all courses, which indicates withdrawal from the College.

Course Delivery Systems

Ecclesia College has two delivery systems for its courses and degree programs. There is the residential face-to-face instruction at the Springdale Campus, and online education.

Special Permission must be given to Springdale Campus students to participate in part-time EC Online education.

On-Campus Programs

The face-to-face involvement allows students to benefit from the community of scholars, campus library and learning resources, assemblies, campus housing and other aspects of traditional college life.

Definition of an Academic Semester/Unit of Credit

Fall and Spring semesters are a minimum of 15 weeks in length. The unit of credit for the college is the semester hour. One semester hour of credit normally represents fifteen 50-minute class periods, or 125 clock hours.

Where additional supervised time is required (i.e. – lab or listening sessions), an extended period of two or three hours may replace one regular class period. Each lecture hour suggests a minimum of two hours of preparation on the part of the student. (For example: If a student takes 12 hours, he/she should plan on studying a minimum of 24 hours in a given week.)

Satisfactory Academic Progress

EC's Financial Aid Satisfactory Academic Progress Policy has been designed to strengthen and reinforce the relationship that should exist between financial aid and successful academic participation.

Federal regulations require that schools establish satisfactory academic progress standards for students applying for and receiving federal aid. These regulations require that the Financial Aid Office review all periods of a student's enrollment history regardless of whether financial aid was received, to determine if a student is making satisfactory academic progress toward an educational goal. A student's progress will be evaluated at the end of the fall and spring semesters by the standards outlines below. All periods of enrollment will be evaluated regardless of whether or not financial aid was received. Any academic transcripts received by the Financial Aid Office from other colleges will be evaluated using the same Satisfactory Progress Policy as outlined below.

These standards apply to all students who apply for and receive financial aid from the following programs:

- Federal Pell Grant
- Federal Work Study
- Federal Direct Loan Program
- Federal Supplemental Educational Opportunity Grant

Educational Objective

Students receiving financial aid at EC must be enrolled in a course of study leading to an associate or bachelor degree.

In order to satisfy Satisfactory Academic Progress (SAP) requirements, financial aid recipients must:

1. Earn a minimum grade point average (GPA) of 2.00 for all classes attempted during the semester and have a minimum 2.00 cumulative GPA at the end of the second academic year.

Grade Point Average: Grade symbols of A, B, C, D, or Pass earned during the semester will be considered as acceptable for courses completed and Satisfactory Academic Progress consideration. "Pass" grades will be assigned the equivalent value of a 2.00 GPA. Courses completed with an F, I, W or AW will not be considered acceptable for Satisfactory Academic Progress. Courses completed with a WM (withdrawal for military leave) are excluded from the determination. Even though a "D" is considered a passing grade, the total GPA must not fall below 2.00 for each semester.

Incompletes: Incompletes will not be considered acceptable for Satisfactory Academic Progress. An incomplete course counts as credits attempted but is not included in the GPA and credits completed until the incomplete grade changes to a passing or failing grade. Conversion of an "I" to an "F" is then included in the GPA for the semester.

Withdrawals: Withdrawals will not be considered acceptable for Satisfactory Academic Progress. If the student withdraws from a course or courses (W grade) after the first week of classes during a given term, the credits are included in the count of courses attempted. A "W" is not included in the GPA.

Repeated Courses: When a student repeats a course, the total attempted hours will increase with each repeat, but the student will only earn hours for a completed course once.

Noncredit Remedial Courses: These credits are not computed in the semester's GPA. Remedial classes successfully completed count toward Satisfactory Academic Progress. They do not count toward graduation nor do they count in the determination of grade level for student loans. Students are limited to the equivalent of one (1) year, or 30 credit hours of approved remedial classes that can be funded by federal financial aid.

Transfer Credit: All credits accepted for transfer students are included in the total attempted credits for SAP determination as completed hours. Transfer accepted hours do not equate to degree specific hours. The enrollment at prior institution(s) is pro-rated by counting every fifteen credits or part thereof transferred in as one semester. That total number of semesters will be subtracted from the twelve semester maximum time frame. The number remaining is the number of semesters a student can receive financial aid at Ecclesia College. Transfer hours do not affect cumulative GPA of credits taken at Ecclesia College.

2. Maximum Time Length

Federal regulations require that institutions establish a maximum time period or unit total for a student to complete an educational objective if financial aid is received. Financial aid recipients will be considered to be making Satisfactory Academic Progress if they complete their educational objective within the timetable indicated below. The educational objective as indicated on the Financial Aid Application will be used for this determination.

Associate Degree: This requires a completion of a minimum of 60 credits at EC. Students must complete their educational objectives within three years and are allowed up to time and a half the number of credit hours required in their degree.

Bachelor Degree: This requires a completion of a minimum of 120 credits at EC. Students must complete their educational objectives within six years and are allowed up to time and a half the number of credit hours required in their degree.

3. A minimum Number of Units (credit hours) to be completed each semester.

Enrollment Status Credits Completion Requirements

Enrollment Status	Cumulative GPA	Minimum number of credit hours earned each semester	Evaluation Period
Full-time	2.0	9	Semester
$\frac{3}{4}$ - time	2.0	6	Semester
$\frac{1}{2}$ - time	2.0	3	Semester
Less than $\frac{1}{2}$ - time	2.0	2	Semester

The College will calculate the pace at which the student is progressing by dividing the cumulative number of hours the student has successfully completed by the cumulative number of hours the student has attempted. In making this calculation, remedial courses may or may not be included.

Academic Warning / Probation (and Financial Aid Warning/Probation)

The Academic Office will evaluate academic progress each semester. Each semester-end evaluation will include a GPA review as well as an assessment of progress made toward completion of the semester minimum unit expectation. Students placed on Academic Warning or Academic Probation will be so notified in writing by the Academic Office and if applicable, the Financial Aid Office.

Academic Warning (and Financial Aid Warning)

Students will be placed on Academic Warning if they fail to complete their credit hours expectation as defined by enrollment status or if they earn less than a 2.0 GPA for all courses attempted each semester. Federal financial assistance will be continued during this Academic Warning.

If at the end of the semester a student completes the credit hour expectation as defined by enrollment status with a minimum GPA of 2.0, they will be removed from Academic Warning status. Students not completing sufficient credits to meet the projected annual minimum credit expectation requirement during the semester will be placed on Academic Probation subject to disqualification from financial assistance.

Federal financial aid recipients will be disqualified from financial assistance if, for two consecutively enrolled semesters, they fail to complete the minimum semester credit expectation as defined by enrollment status, or if they earn less than a 2.0 GPA for all courses attempted each semester.

Academic Probation (and Financial Aid Probation)

If the student continues enrollment on Academic Probation, the College will determine that the student should be able to meet the SAP standards by the end of the term or the College will develop an academic plan for the student, if followed, will ensure that the student is able to meet the College's SAP standards by a specific point in time.

Reinstatement

A student who was previously disqualified may have their financial aid reinstated if they meet the **Enrollment Status Credits Completion Requirements** listed above or the requirements specified by the College's academic plan for the individual student. The student should complete the same credit expectation in the reinstatement semester as the semester he or she was disqualified for aid. To be reinstated for federal financial aid, the student must submit to the Financial Aid Office a copy of all grades showing courses completed along with a written request.

Appeals

A student appeal may be filed for not meeting the GPA standard or the credit hour expectation. Students may also appeal if they have reached the maximum time frame. Appeals may be filed for the following mitigating circumstances: **Medical problems; family emergency; other documented extenuating circumstances.**

An appeal form can be obtained from the Financial Aid Office. The student is responsible for presenting sufficient information and documentation to substantiate the existence of mitigating circumstances and express what has changed in the student's situation that will allow the student to demonstrate SAP at the next evaluation. The Academic Committee will initially review the appeal. If the student wishes to appeal the decision, he/she may make a written request to have a hearing before the EC Honor Council. The decision of the EC Honor Council is final.

If an appeal is denied by the College, please see the Reinstatement note above that describes how the student may reestablish his or her eligibility for Title IV, HEA program funds.

If an appeal is granted, the College will determine that the student should be able to meet the SAP standards by the end of the term or the College will develop an academic plan for the student that, if followed, will ensure that the student is able to meet the College's SAP standards by a specific point in time. A student on Academic Probation may not receive federal financial aid in subsequent terms unless the student makes SAP or meets the requirements specified in the student's academic plan.

Student Classification

Minimum hours used to determine student classification requirements are based on the following guidelines and completed degree-specific semester hours of instruction:

Upon completion of 30 semester hours, the student becomes a sophomore.

Upon completion of 60 semester hours, the student becomes a junior.

Upon completion of 90 semester hours, the student becomes a senior.

Continuation as Student

Continuation of a student at Ecclesia College is not automatic. The college reserves the right to discontinue the program of any student who fails to do satisfactory work or does not cooperate with the policies of the college. The Administration may request the withdrawal of a student at any time, in its opinion that a student does not fit into the spirit of the institution, whether or not the student conforms to the specific regulations of the school.

Attendance at and graduation from Ecclesia College is understood to be a privilege. The College may request the withdrawal of any student at any time if he or she fails to comply with the standards and regulations of the institution or is not compatible with its honor code, including service learning and work learning service. It is imperative for the student to understand that attending and receiving a degree from EC is a privilege—not a right.

Class Attendance

Ecclesia College is an attendance taking institution and, as such, must require students to adhere to its attendance policy. Other colleges and universities in the area are non-attendance taking and are not under the same guidelines by the U.S. Dept. of Education as Ecclesia College. Believing that students in a traditional classroom setting benefit from discussion and interaction with the instructor and other students, Ecclesia College requires regular and punctual attendance at all classes.

The student is granted a maximum of unexcused absences per course equal to the number of classes the course meets per week; i.e., a class meeting one time a week = 1 unexcused absence; a class meeting two times a week = 2 unexcused absences; a class meeting three times a week = 3 unexcused absences.

Tardies are computed as unexcused absences. One letter grade will be deducted from the student's overall final grade average for the course should he/she exceed the allotted unexcused absences per course for the semester. Should a student's total absences in a given course (excused and unexcused) exceed 60% of his/her class periods, credit will not be granted for the course.

Class absences due to sickness, family emergency, or participation in Ecclesia College-sponsored events are considered to be excused absences and the student will be allowed to make up the work missed. It is the student's responsibility to approach the instructor to inquire about work to be made up during these absences. In the case of College-sponsored activities, the student must consult with the instructor before the absence to determine what arrangements need to be made for making up the work to be missed.

In cases of extenuating circumstances (such as an extended illness) beyond the student's control, appeal for credit may be made to the Academic Committee. This appeal must be in writing, state and document reasons for the absences, and must be made before semester final exams begin. An exception also may be made for College teams who compete in national championship tournaments.

Students who are tardy for a class will be counted as absent unless they inform the instructor of their presence at the conclusion of the class period. Three tardies are considered equivalent to one absence. A student is considered tardy if he/she arrives after the commencement of the class session.

Course Repetition

Any course taken at Ecclesia College may be repeated in order to improve the student's grade for that course. The student may submit request to their academic mentor to retake course in order to improve a grade. Only the final grade and grade points will be counted in the student's cumulative grade point average. Additional fees and/or tuition apply. Students receiving funding from the Department of Veteran's Affairs will not receive VA funding for courses repeated unless the course was previously failed.

Course Substitutions

In the event of extraordinary circumstances, degree course substitutions are allowable with the approval of the Academic Committee. Petitions must be submitted in writing prior to the last semester of enrollment. Approved substitutions will be noted in the student's individual degree audit on Populi.

Special Courses

Independent study courses are designed to fulfill curriculum requirements of one, two or three semester hours when unusual situations arise for a graduating student. Students are asked to complete a study project that is equivalent to traditional delivery coursework. Independent study courses are taken for residence credit. Further, students must have approval from the Academic Dean, degree-granting Department Coordinator and academic mentor in order to take an independent study course. Additional fees may apply.

Grading System

Students are given a final grade for the course based on classroom participation, completion of homework assignments, and examinations.

Ecclesia College's official grading scale is as follows:

94-100 A	88-90 B+	78-80 C+	68-70 D+	60 or below F
91-93 A-	84-87 B	74-77 C	64-67 D	
	81-83 B-	71-73 C-	61-63 D-	

Transcript Notations/Abbreviations indicate the following:

A	91% -100%	Commendable Accomplishment
B	81% - 90%	Good Accomplishment
C	71% - 80%	Satisfactory Accomplishment
D	61% - 70%	Minimal Accomplishment
F	60% or below	Failure
FN		Failure for non-attendance
IP	Student Pre-enrolled or Course In Progress – no grade assigned	
I	Incomplete Work	
AUD	Audit	
P	Pass (equivalent to a minimum grade of “C” or above)	
W	Withdrawal without Penalty by Last Day to Withdraw Passing	
AW	Administrative Withdrawal	
MW	Military Withdrawal	
R	Repeat	

Ecclesia College uses a 4.0 cumulative grade point system to compute a student's final semester grade point as well as cumulative grade point average (GPA) for degree completion as indicated below:

A = 4.0	B = 3.0	C = 2.0	D = 1.0	F or FN = 0.0
----------------	----------------	----------------	----------------	----------------------

Incomplete (I), Pass (P), Military Withdrawal (MW), and Withdrawal (W or AW) grades are not included in the College's grade point average computations. A Withdrawal (W, AW or MW) grade is given for a student's termination of classes and/or withdrawal from the College. However, a Failure for non-attendance (FN) will be regarded as an F grade and will be computed in the student's GPA.

Final Exams

Students must sit for the final exam at the specified time. Incomplete grades may be issued in cases of death or serious illness of a member of the student's immediate family or illness of the student as documented by a medical professional.

Incompletes (I)

Incomplete grades are rarely granted.

An Incomplete grade is given for a justifiable reason, such as illness resulting in failure to complete required assignments and/or examinations. Meeting the necessary course requirements may change the incomplete status. Students must apply for incomplete grade through the Registrar's Office prior to his/her final examination in the subject.

- The student must petition for an "Incomplete Grade" through the Registrar's Office. However, first, he/she must establish that his or her work is incomplete for good cause (lengthy illness, death in the family, serious accident, and so forth).
- Petition for an "Incomplete Grade" must be made by filling out the correct form and attaching all supporting documentation. Illness should be supported by a physician's note.
- Only those absences that occurred because of an emergency situation can apply toward consideration of receiving an "Incomplete Grade" for any class.
- The student is accountable for any other absences and they will be dealt with according to the attendance policy of the College and/or specific entries in the course syllabus.

Incomplete grades must be resolved within two weeks of the beginning of a new semester or the final grade will become an "F". (See Academic Calendar for specific final due dates for resolution of incomplete work to be submitted to an instructor for grading.)

Extension of Incomplete (I)

The grade of "I" is allowed to remain on a student transcript for up to an additional semester or until such a time as an incomplete grade has been made up. The time extension approved by the instructor and student's degree granting department coordinator must be granted in writing, and a copy forwarded to the Registrar's Office. A time extension is granted only to students whose work remains incomplete for a good reason. It is the **responsibility of the student** to make up any incomplete work and to have the professor submit a grade change to the Registrar. If this is not done by the end of the second semester following the enrollment of the course, the extended incomplete will be changed to an "F".

Course Withdrawal (W)

When a course is dropped after the first week of classes, a "W" grade is recorded. Students must initiate the process of withdrawal from a specific course by completing a Course Withdrawal Form obtained from the Registrar's Office. Any student who withdraws after the specific date announced in the academic calendar will receive an "F" in the course. Special fees apply.

Administrative Withdrawal (AW)

An administrative withdrawal (AW) grade is applied in two ways: First, in exceptional cases, a student may request an "AW" after the eighth week deadline for withdrawing with a passing grade if he/she can show good cause. Second, the administration or professor may request that a student be granted an "AW" from a course. These decisions are made in consultation with the Academic Committee. This grade will not affect adversely the GPA.

Military Withdrawal (MW)

Should a student in the National Guard or in a regular branch of military service be called to active duty, and be unable to make up course work missed within a reasonable period of time, he/she may be granted a "MW" grade. This grade will not affect adversely the GPA.

Academic Honors

President's List and Dean's List

The Dean's List recognizes students who carry at least 12 units for credit in a semester, exclusive of developmental courses, and who attain a grade point average of 3.50 or better.

The President's List recognizes students who carry at least 12 units for credit in a semester, exclusive of developmental courses, and who attain a grade point average of 4.00.

Graduating with Honors

Residential students who fulfill the degree requirements with a grade point average (GPA) of at least 3.85 and receive an "A" or "B" grade on the senior paper/project will receive the distinction summa cum laude. Students with a GPA between 3.60 and 3.849 who receive an "A" or "B" grade on the senior paper/project will receive the distinction magna cum laude. Students with a GPA between 3.30 and 3.599 and who receive an "A" or "B" grade on the senior paper/project will receive the distinction cum laude.

For purposes of graduation, the final fall semester cumulative GPA is the value used as potential graduates are presented to the faculty for evaluation in the early spring as meeting their degree and other graduation requirements at EC and for nomination to the Board of Governance.

Receiving academic honors is a privilege based on more than academic achievement. It is also based on Christian character demonstrated faithfully through the college experience. To receive academic honors, a student must: (1) have completed his/her academic requirements; (2) be successful in the oral defense of the senior paper/project prior to March 15th; (3) have met the cumulative GPA parameters mentioned above; (4) have been a full-time student at least three semesters at Ecclesia College; and (5) receive the approval of the faculty.

Classroom Ethics

Ecclesia College is committed to honor and respect both teachers and students. Therefore, students will be asked to turn off cell phones and other electronic communication devices, upon entering the classroom. Ear headsets and/or other devices or clothing that may impair a student from hearing or seeing the professor, be it himself/herself or others, are considered inappropriate. The College's dress code will be enforced (see [Student Handbook](#)).

Academic Honesty and Integrity

Ecclesia College is committed to equipping, preparing and raising up graduates who maintain a lifestyle of truthfulness, honesty and integrity. Consequently, any type of academic dishonesty is viewed as a serious violation of Christian standards and ethics. A good working definition of plagiarism is "passing off anyone else's work, ideas, or research as your own." Students will be taught how to use academically honest ways of giving credit for someone else's ideas, conclusions and/or research.

Cheating on exams or plagiarism will not be tolerated. Violations of these standards will result in substantial penalties. First time offenders will receive an "F" on the assignment or test; second time offenders will receive an "F" in the course; third time offenders will be referred to the Dean of Students for probationary and/or expulsion review. Any instance of cheating or plagiarism will be reported to the Academic Office.

Should an incident be reported by a second instructor with regard to an individual student, the matter will be forwarded immediately by the Academic Dean to the Dean of Students for appropriate action.

Academic Course Enrollment Requirements per Semester

All Ecclesia College full-time students are required to take at least one Bible (BIBL) or Theology (THEO) course each semester of enrollment until such a time as all their degree BIBL/THEO requirements are met. Further, all students **MUST** participate in Service Learning each semester of enrollment at Ecclesia College.

Incoming Fall semester freshmen and transfer students with less than 27 hours of transferable college credit are required to enroll in the Alpha Seminar.

ACT Testing for Section Placement

Students who fail to meet a high school or transfer cumulative GPA of 2.0 and achieve a minimum ACT score of 19 (or equivalency) in English or Math usually are placed in developmental/remedial classes.

Scores from other colleges are accepted in transfer if sent directly from the originating college to the EC Registrar's Office.

CLEP Testing

CLEP testing is available in many subjects in conjunction with other area colleges and testing sites. More information is available in the Registrar's Office.

Bible Content Testing

A Bible Content test is administered to entering students and again prior to graduation for institutional assessment purposes and appropriate placement into Old and New Testament Introduction courses.

Degree Completion/Catalog Selection

The Academic Catalog, which determines a student's graduation requirements, is the catalog in effect when the student begins his/her studies at Ecclesia College. In the event a student elects to change to a different edition of the College's Academic Catalog, the student must understand that he/she may not return to a previous edition of an Academic Catalog. The student may elect to change to any edition of the Academic Catalog that is in effect during his /her studies at Ecclesia College; all changes must be in writing and submitted to the Registrar's Office to become official.

Should a student interrupt his/her studies at Ecclesia College for three (3) consecutive semesters, he/she will re-enter under the current guidelines and degree requirements of the Academic Catalog in effect on the date of re-entry.

Graduation Requirements

There should be evidence of character and conduct of such quality by which the College Faculty recommend the graduate to the Board of Governance for graduation. Ecclesia College evaluates student character formation through its Service Learning, Work Learning Service programs, and adherence to the College's Honor Code that is signed by each student and included in their permanent record.

To be recommended for a baccalaureate degree and be allowed the privilege of participating in the commencement ceremony, the student must satisfactorily meet the following requirements:

- The satisfactory completion of all required semester credit hours toward a bachelor's degree with a minimum average grade of "C" (or its equivalent) in the major, a minimum grade of "B" or higher for the senior capstone project as appropriate to their degrees, i.e., Integrative Senior Seminar II for all

residential baccalaureate degrees excluding business degrees, Ministry Projects for EC Online degrees, and Business Leadership & Strategic Management for business degrees, and a cumulative overall grade point average of 2.0 or above.

- Satisfactory settlement of all financial accounts.
- Satisfactory completion of all Service Learning requirements. (See section on Service Learning.)
- Satisfactory completion of the College's Work Learning Service Program. (Springdale Campus only.)
- Satisfactory completion of senior institutional assessment surveys and exams.
- Satisfactory completion of financial aid exit counseling in a timely manner prior to release of an official transcript and/or diploma.

To be recommended for an associate degree and be allowed the privilege of participating in the commencement ceremony, the student must satisfactorily meet the following requirements:

- The satisfactory completion of all required semester credit hours toward an associate degree with a minimum average grade of "C" (or its equivalent), a minimum grade of "B" in Employment Strategies for all residential associate degrees, and a cumulative overall grade point average of 2.0 or above.
- Satisfactory settlement of all financial accounts.
- Satisfactory completion of all Service Learning requirements. (See section on Service Learning.)
- Satisfactory completion of the College's Work Learning Service Program. (Springdale Campus only.)
- Satisfactory completion of institutional assessment surveys and exams.
- Satisfactory completion of financial aid exit counseling in a timely manner prior to release of an official transcript and/or diploma.

Transfer Students

Transfer students into a ***baccalaureate degree program*** at Ecclesia College must complete at least the final thirty (30) semester hours in residence with a minimum cumulative grade point average of 2.0 or above to be eligible for a bachelor's degree. The student must successfully complete a minimum of 6 semester hours in his/her major as well as Mentoring Foundations, the senior capstone course appropriate to the major (Integrative Senior Seminars II, Senior Project or Business Leadership & Strategic Management) with a minimum grade of "B" or higher, in addition to the fulfillment of one year of the Work Learning Service Program and one year of Service Learning requirements. Ecclesia College baccalaureate degrees require 120 hours with a minimum 2.0 GPA for satisfactory completion, as well as fulfillment of all financial accounts. (Refer to graduation requirements listed above.)

Transfer students who graduate with an earned associate degree from an accredited institution are deemed to have fulfilled Ecclesia College's general education requirements.

Transfer students into an ***associate degree program*** at Ecclesia College must complete at least fifteen (15) semester hours in residence with an average minimum grade point of 2.0 in order to receive a diploma. The student must successfully complete Mentoring Foundations: Grids for Life & Learning, in addition to a minimum of one semester of the Work Learning Service Program and one semester of Service Learning requirements to receive an associate degree at Ecclesia College. Ecclesia College associate degrees require 60 hours with a minimum 2.0 GPA for satisfactory completion, as well as fulfillment of all financial accounts. (Refer to graduation requirements listed above.)

Second Baccalaureate

Students desiring to complete a second baccalaureate degree through Ecclesia College must pursue a degree major at Ecclesia that is different from the first earned accredited baccalaureate degree major. At least the final thirty (30) semester hours in residence are to be taken with a minimum cumulative grade point average of 2.0 or above. The student must successfully complete a minimum of 6 semester hours in his/her second major at Ecclesia as well as Mentoring Foundations, the senior capstone course appropriate to the major (Integrative Senior Seminars II, Senior Project or Business Leadership & Strategic Management) with a minimum grade of “B” or higher, and a minimum of 18 Bible/Theology semesters hours. In addition, graduates are expected to complete one year of the Work Learning Service Program, one year of Service Learning and meet all financial account obligations. (Refer to graduation requirements listed above.)

Graduation Application

Students who expect to complete requirements for a degree during the current academic year must submit an application for graduation (available in the Registrar’s Office) in order to receive a diploma.

Applications are due prior to the commencement of the student’s final semester of enrollment at Ecclesia College; a graduation fee of \$115.00 for undergraduate programs and \$150.00 for graduate programs will be assessed at registration.

Graduation Assessment

Although assistance with course selection is given to the student, it is the ultimate responsibility of the student to work with his/her Academic Mentor to ensure that graduation requirements are met in a timely manner prior to his/her anticipated graduation date. As the student meets with his/her Academic Mentor, the Academic Mentor will apprise the student of any unmet requirements for graduation.

The College has developed a graduation check list to confirm each graduate meets minimum state requirements for their degree, to include: (1) completion of a minimum of 40 junior/senior hours, (2) completion of at least 30 semester hours in their major, and (3) completion of the specified hours required by their degree (generally 120 for the baccalaureate programs at EC and 60 for the associate programs), not to include developmental credits.

A formal letter will be sent by the Registrar to formalize any deficiencies immediately following the Fall semester of the student’s senior year.

Graduation Regalia

According to traditions of academic regalia, no jewelry or non-academic accessories should be worn on the outside of the robe, no accessories or decor on the cap. The only exceptions are the gold cords and tassels worn by students graduating with honors.

Senior Projects

The Integrative Senior Seminar final project report is due in the Registrar’s Office no later than March 15th for a student to be eligible to participate in the May graduation commencement exercises. Students must consult with their professors to ascertain the official deadline for completing their capstone projects as appropriate to their degrees, i.e., Employment Strategies for all associate degrees, Ministry Projects for EC Online degrees, and Business Leadership & Strategic Management for business degrees. Failure to successfully submit a final corrected copy of a senior project may delay delivery of a student’s diploma.

Published Graduation Rates

Ecclesia College's current graduation rates may be viewed by accessing information from the National Center for Education Statistics at the following link: nces.ed.gov.

Degree Program Recommendations

Due to program design and activities, students are encouraged to live in campus residence halls and are asked not to seek employment during the first year of study at Ecclesia College.

Transfer of Credit

Ecclesia College recognizes academic work completed in other institutions of equivalent standing on the basis that course content is similar to that offered at Ecclesia College and that the student has earned a minimum grade of "C" or equivalency. In addition, course credit and advanced placement may be obtained through AP credit, CLEP examinations, military credit (i.e., basic training meets the College's physical education requirements for graduation), and resident course examinations.

Protocol for Transcript Evaluations

Official transcripts of all post-secondary coursework must be submitted directly **from** the student's College Registrar **to** the Ecclesia College Registrar at 9653 Nations Drive, Springdale, AR 72762. Faxed transcripts issued directly from college to college are considered "official". Transcripts issued to the student are not considered "official" transcripts.

In the event a student does not submit official copies of his/her academic transcripts within two weeks of the beginning of his/her first semester of study at Ecclesia College, he/she will be classified as a "freshman" for financial aid purposes until such a time as all appropriate "official" documentation is received by the Transfer Coordinator in the Registrar's Office. After the Transfer Coordinator has assessed each official transcript, the student may view his/her transfer evaluation on the college's student management system (Populi/Dashboard).

Petition for Policy Exception forms may be completed through the Registrar's Office to request further consideration with regard to course transferability by the Academic Committee.

Transfer of Credits from Unaccredited Institutions

Students who have taken courses at an unaccredited institution may contact the Registrar's Office regarding current policy and procedure with regard to course transferability and articulation agreements currently in effect.

Transfer of Course/Degree Credit to Other Institutions

The student should be aware that some courses and degree programs offered at Ecclesia College may not transfer. Each receiving institution determines the transferability of course/degree credit.

Ecclesia College has many courses approved on the Arkansas Course Transfer System (ACTS). Evaluated courses may be viewed at: <https://adhe.edu/students-parents/transfer-info-for-students>.

Licensure

Coursework for the Bachelor of Science in Psychology & Counseling degree is not accepted for counseling/counselor licensure in the State of Arkansas. The completion of an accredited master's program in the appropriate field is required for state licensure.

Family Education Rights and Privacy Act (FERPA)

The college complies with the Family Educational Rights and Privacy Act (FERPA) of 1974. In accordance with this federal law, the institution has adopted policies and procedures governing the confidentiality of student educational records. No individual shall have access to, nor will the institution disclose any information from, a student's educational record without the written consent of the student or as otherwise authorized by FERPA.

- Right to and procedures for inspecting and reviewing a student's educational records
- Right to and procedures for requesting amendment of a student's education records
- Right to consent to disclosure of personally identifiable information contained in the student's education records
- Right to file a complaint with the U.S. Department of Education
- Right to obtain a copy of the student records policy

Ecclesia College maintains compliance with the Family Educational Right and Privacy Act (FERPA—20 U.S.C. Sections 1232g; and implementing, 34 C.F.R. Section 99. 1 et seq.). As required by this federal law, EC provides students the following rights:

- With certain exceptions, the right to inspect and review education records of the student;

These consist of the following records:

- Financial Aid: financial aid records
- Student Development: academic transcript; registration information; application for admission; high school transcript; college transfer work; test scores; work evaluations; letters of recommendation; activities list; general correspondence; disciplinary records; work records

The following records are exempt from FERPA regulations and may not be viewed by students:

Personal notes of faculty and staff; medical and counseling records used solely for treatment; financial records of parents; confidential statements of recommendation of admission placed in student files for which the right to inspect and review has been waived by the student.

Requests to review must be made separately, in writing, to each office that maintains them. Written requests must be given with reasonable advance notice (at least 24 hours). A fee is charged for reproducing copies of records.

- An opportunity to challenge such records on the grounds that they are inaccurate, misleading, or in violation of the student's privacy or other rights. This right includes the right to a hearing to present evidence that the records should be changed if this institution decides not to alter the education records according to the student's request;
- The right to prevent disclosures of education records to third parties with certain limited exceptions. This protection involves obtaining written consent of a student before releasing personally identifiable data about the student from records other than a specified list of exceptions, such as an item of directory

information of which the student has not refused to permit disclosure, or under the provisions of FERPA which allow disclosure without prior written consent.

Prior written consent from students is needed before records can be disclosed to third parties unless they are exempted from the law. Exemptions include releases:

- to faculty and staff with a legitimate educational “need to know”
 - in accordance with a lawful subpoena or court order
 - to representatives of agencies or organizations from which students have received financial assistance
 - to others specifically exempted from prior consent requirements (including certain federal and state officials, accrediting organizations, etc.)
 - to parents of dependent students (as determined by the Financial Aid Office). Examples of information that may be released include, but are not limited to the following: grades; withdrawal; emergencies; violations of college regulations
 - to the INS (for international students only)
 - in emergencies where the information is necessary to protect health and safety of the student or others
 - Each student admitted to Ecclesia College gives written consent for educational information to be disclosed, as deemed necessary by the College, to the student’s home pastor and/or the student’s parents. Home pastors and/or parents may be contacted in cases where a student has violated regulations and home pastor and/or parental knowledge is deemed appropriate by the Student Development staff or required by written policy.
- The right to file a complaint with the Family Educational Rights and Privacy Act Office, Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202, concerning this institution’s alleged failure to comply with FERPA;
 - The right to obtain a copy of the written institutional policy adopted by this institution in compliance with FERPA, from the EC President’s Office.

The college has designated certain information contained in the education records of its students as directory information for purposes of the Family Educational Rights and Privacy Act (FERPA).

The following information regarding students is considered directory information: (1) name, (2) address, including e-mail address, (3) telephone number (4) date and place of birth, (5) major field of study, (6) part-time/full time enrollment status (7) participation in officially recognized activities, (8) height and weight of members of athletic teams, (9) dates of attendance (including matriculation and withdrawal dates), (10) academic classification by year, (11) degrees and awards received, (12) the most recent previous educational agency or institution attended by the student, (13) student’s photograph, (14) small groups or care groups, (15) field assignments (stateside and/or international), (16) residence hall cleaning assignments, (17) intercession groups, (18) work assignments, and (19) housing assignments.

This institution may disclose directory information for any purpose in its discretion, without the consent of a student. Students have a right, however, to refuse to permit the designation of any or all of the above information as directory information. In that case, this information will not be disclosed except with the consent of a student, or as otherwise allowed by FERPA.

Any student refusing to have any or all of the designated directory information disclosed must file written notification to this effect with this institution during regular business hours. Forms for this purpose are available in the Student Development Office. The written notification does not apply retroactively to previous releases of directory information. To prevent publication of directory information, written notification must be filed no later than the second week of classes during the fall or spring semester.

In the event a refusal is not filed, this institution assumes that a student does not object to the release of the directory information designated.

The law permits school officials (where legitimate “need to know” exists) to use information contained in the students’ education records for internal use, and under certain circumstances to provide it to others, including the use of this information in the event of an emergency. This information will not, however, be used in the College Directory, in public releases or be made available to the public without consent of the student.

Further information about education records and the process of obtaining access to records may be obtained in the Student Development Office or Registrar’s Office.

Academic Appeal Process

Ecclesia College has chosen to use the term “Academic Appeal” in lieu of complaint or grievance. Students are encouraged to address their appeals to the appropriate persons and/or administrative departments.

Academic appeals should be made in the following order:

- Appeal to the Professor
- Appeal to the Department Coordinator*
- Appeal to the Division Chair*
- Appeal to Academic Dean*
- Appeal to Academic Committee*

* Appeals to the Department Coordinator, Division Chair, Academic Dean and/or Academic Committee must be made in writing (preferably type written) and submitted to the Academic Dean.

For all other types of appeals, *see Student Comments & Appeals*.

ACADEMIC PROGRAMS

Ecclesia College provides students with a selection of associate and bachelor degrees in a variety of fields. The Program Coordinator for all traditional campus degrees offered by Ecclesia College is the Academic Dean, Mrs. Donna Brown. Division Chairs and Department Coordinators, as well as the Freshman Seminar Coordinator help in the student mentoring/advisement process.

Faculty with earned doctorates and master's degrees from accredited colleges/universities and seminaries are the main teaching faculty of Ecclesia College. Faculty status is granted additionally to the President, Library Director, Registrar, and Service Learning Director.

General Description

Ecclesia College's baccalaureate programs provide the basis for an education derived from the premise that all truth is God's truth and that Jesus Christ is the model for the development of the whole person.

Established on the foundation "Knowing God and making Him known", each degree program is designed to produce maturation and growth in the character of the student through the application of God's truth with a firm conviction of His Word being authoritative in one's life. Throughout their time at Ecclesia, students, and then alumni, are encouraged to embrace a vision for societal impartation and lifelong learning.

Degrees Offered

Baccalaureate degrees earned at Ecclesia College are granted upon the successful completion of a minimum of 120 semester credit hours (or equivalency) or per specific degree requirements. Associate degrees are granted based upon the successful completion of a minimum of 60 semester credit hours (or equivalency) or per specific degree requirements.

Traditional campus on-site degrees are presented in the following pages by academic division. Many degrees are also offered online. Students interested in EC Online degree programs may refer to the website for more information: www.ecollege.edu/Econline/.

Declaring a Major

It is in the best interest of the student to declare a major as soon as possible. This assures the most efficient student advisement toward timely degree completion. Students are given the opportunity to indicate their major interests and related areas of study (minor and/or concentration/emphasis) at registration.

Freshmen degree-seeking students who remain undecided as to their major automatically are enrolled in the Associate of Arts degree at EC.

Students are assigned an academic mentor/student advisor based on their degree interest. In many cases, the initial academic mentor/advisor is the student's degree granting division chair or department coordinator.

Majors, Minors and/or Concentrations/Emphases

A **major** consists of at least thirty (30) semester hours in the subject, with at least 24 hours being at the upper level (junior/senior credit hours). Some majors at EC require significantly more than 30 semester hours for completion. A complete listing of majors and corresponding degrees follows in the section entitled "curricular choices".

A **minor** generally consists of at least eighteen (18) semester hours in the subject, with at least twelve (12) hours being at the upper level (junior/senior credit hours). A minor can be created from any approved Ecclesia

College major by choosing two lower level courses and four upper level courses from the published major, in coordination with student academic mentor and with approval of the degree granting division chair. Some prerequisite courses may apply.

A **concentration** consists of at least 12 semester hours in the subject, and all required hours must be upper level courses (junior/senior credit hours). EC has published concentrations within the Bachelor of Science in Business Administration and the Bachelor of Arts in Leadership degrees.

An **emphasis** consists of at least 9 semester hours in the subject, and all required hours must be upper level courses (junior/senior credit hours).

Note: Lower level courses are freshman and sophomore credit hours and upper level courses are junior and senior credit hours. The second digit of an EC course number indicates the number of credit hours earned.

Changing your Major, Minor and/or Concentration/Emphasis

Steps to changing your major, minor and/or concentration/emphasis:

- Student obtains a Major/Minor Change Form from the Registrar's Office.
- Student fills out the entire form and takes it to the new major division chair for departmental approval and assignment of an advisor. It is imperative these two lines be filled out before the form is considered complete.
- Student brings all parts of the signed form to the Registrar's Office where the form is stamped.
- Registrar enters the new information in the student management system and retains a paper copy for the student's permanent file.
- A request for change in major, minor and/or concentration/emphasis may be submitted at the student's discretion and is not limited to the time of registration. However, the more changes that are made in degree selection, the greater the possibility that it will take more than four years to complete a degree program.

Curricular Choices

The student will have many opportunities to meet with his/her assigned academic mentor/student advisor over the course of the freshman through senior years. Academic mentors can help each student make meaningful and appropriate life and learning choices.

Residential degree majors and their respective degrees include:

Biblical-Theological Studies	–	Bachelor of Biblical Studies
Business Administration	–	Bachelor of Science in Business Administration with Management or Marketing Concentrations
Christian Leadership	–	Master of Christian Leadership
Leadership	–	Bachelor of Arts in Leadership
Psychology & Counseling	–	Bachelor of Science in Psychology & Counseling

Minors or Concentrations approved for both campuses include:

Biblical Studies (general)
 Business Administration (general)
 Interdisciplinary Studies
 Intercultural Studies (Missions)
 Marketing
 Management
 New Testament Studies
 Old Testament Studies
 Psychology and Counseling
 Sport Management

Explanation of Course Numbering System**Numbering**

The numbering of Ecclesia College courses has the following significance: The first number usually indicates the academic level of the course:

Freshman level courses begin with a “1” = 1000 and higher.
 Sophomore level courses begin with a “2” = 2000 and higher.
 Junior level courses begin with a “3” = 3000 and higher.
 Senior level courses begin with a “4” = 4000 and higher.
 Graduate level courses begin with a “5” = 5000 and higher.

The **second digit** in Ecclesia College’s numeration system indicates the **amount of semester credit hours** each course receives. Example: A course numbered 2300 is a sophomore course receiving three semester credit hours.

Prefixes

The last two digits in the course number distinguish that course from others offered within the same discipline of study.

Developmental coursework or elective courses taken for personal enrichment usually are designated numbers between 0100 and 0999.

Course descriptions appear in alphabetical order within the college’s four divisions according to subject prefixes.

Ecclesia College course subject prefix designations are as follows:

Ecclesia College EC Online Degree Programs

EC Online programs offer curricula equivalent to those offered on campus, with the benefit of convenience.

To receive instruction through this medium, students must have adequate computer equipment and sufficient skills to be able to receive instruction via the internet. To find the latest information about the online program, visit the website at <http://ecollege.edu/technical-requirements/>.

Students may complete entire degrees (and/or certificates) online through distance education:

Division of General Studies

Ecclesia College Traditional Degree Programs

The next pages present Ecclesia College traditional delivery degree programs with a listing of their programmatic objectives by division. Degrees are presented in the following order:

Division of General Studies

Associate of Arts
 Associate of General Studies

Division of Biblical/Theological Studies

Associate of Biblical Studies
 Bachelor of Biblical Studies
 Bachelor of Science in Psychology and Counseling

Division of Leadership Studies

Bachelor of Arts in Leadership
 Master of Christian Leadership

 Bachelor of Science in Business Administration in Marketing
 Bachelor of Science in Sport Management (Springdale Campus Only)

DIVISION OF GENERAL STUDIES

The Springdale Campus Division of General Studies offers two associate degrees:

Associate of Arts – The Associate of Arts (A.A.) degree is designed for students who want to further their education by completing a bachelor's degree. Students are prepared and enabled to succeed in a four-year college academically, whether at Ecclesia or by transfer to another institution of higher learning.

Associate of General Studies – The Associate of General Studies (A.G.S.) degree is designed to accommodate the lifetime career and vocational needs of students. The degree meets state requirements in general studies and also allows the student to select 18 elective hours which he/she can select with the help of their academic mentors/advisors.

The Division of General Studies also oversees the general education course offerings for baccalaureate and associate degree programs for both EC Online and traditional campus modalities.

A comprehensive listing of Institutional Outcomes as Program Objectives for the associate degrees are listed elsewhere in this catalog (see pages 10-11). It is believed that even two year students should be able to demonstrate the qualities and values modeled by Jesus Christ upon graduation.

Associate of Arts Degree Program Objectives

Ecclesia College prepares and enables students to achieve competence in seven broad areas: Biblical Worldview and Faith, Critical and Creative Thinking, Effective Communication, Integrity, Leadership, Lifelong Learning, Service and Stewardship. Ultimately, the goal of the Associate of Arts degree is to prepare students to continue further studies at the baccalaureate level at either Ecclesia College or in transfer to another institution of higher learning.

In addition to the general studies program objectives, graduates in the Associate of Arts degree will:

- Evidence knowledge of biblical values and beginning scriptural interpretive skills.
- Demonstrate collaboration within the academic environment with regard to communication, critical thinking, analysis, application, and decision-making.
- Develop or refine understanding of personal skills and abilities leading to better or more appropriate program of study, career, and personal choices.

Licensure

Coursework for the Bachelor of Science in Psychology & Counseling degree is not accepted for counseling/counselor licensure in the State of Arkansas. This is not a unique requirement for Ecclesia College. Completion of an accredited master's program in the appropriate field is required for state licensure in most states in the U.S.

DIVISION OF LEADERSHIP STUDIES

Three degrees are offered within the Leadership Studies Division at the Springdale Campus:

Bachelor of Arts in Leadership (BAL)

Master of Christian Leadership (MCL)

In addition to the college's institutional outcomes or educational goals, programmatic objectives are included as an introduction to each of Ecclesia College's degree programs.

Bachelor of Arts in Leadership Program Objectives

The Bachelor of Arts in Leadership prepares aspiring servant-leaders with the character, the creativity, the skills and the strategies they need to make their careers in both private and public sectors a lasting success. The program equips and empowers students to discover and develop their leadership dreams through a broad curriculum enabling competency in various leadership functions. Faculty members employ their personal and professional expertise to integrate technical and practical subjects in a concentration that assists students in achieving the following educational goals:

- Master the tools and tactics of servant-leadership to promote success of people and projects.
- Develop ethical and responsible leadership skills applicable to many professions across various sectors.
- Gain the communication, problem-solving, and managerial skills to build teams, craft business plans and market ideas.
- Strengthen the capacity and creativity to make innovative programs sustainable via an entrepreneurial mindset and effective strategies.
- Learn patterns of devotional practice and personal growth that will equip one for spiritual leadership.

A concentration of courses in an approved discipline is required to complete the requirements of the B.A. in Leadership degree (12-24).

CONCENTRATION OPTIONS: 12 Upper Level Sem./Hrs. OR 24 Sem./Hrs. at any Level

A concentration is defined as a grouping of courses in a particular discipline. The Faculty of EC has voted to allow two definitions of the word “concentration”: (1) a choice of 12 semester hours at the upper level (junior/senior courses) or (2) a choice of taking 24 semester hours in a particular discipline by combining freshmen-senior level courses. (For example: The 24 hours can be from a grouping of courses in a particular discipline that can be earned at a community college through an A.S. program and transferred in to Ecclesia.)

GENERAL ELECTIVES: 0 or 12 Sem./Hrs. – Students choosing option 1 above will need to complete 12 hours of general electives to fulfill the requirements for graduation of the B.A. in Leadership degree. Students choosing option 2 above will not be required to take further elective credit hours to graduate.

Master of Christian Leadership Program Objectives

The Master of Christian Leadership is an online degree designed to offer biblical and theological education at the graduate level. This program will prepare Christian students who have a growing relationship with God to effectively lead in a wide variety of settings, including church and parachurch organizations, the mission field (stateside and international), and the marketplace. The Master of Christian Leadership is intended to help the student integrate biblical principles into his/her personal and professional life, understand Scripture and be capable of applying its principles in practical situations. Specific program objectives include:

- Develop ever-increasing levels of integrity in all aspects of life (personal, professional/ministry, relational).
- Demonstrate increasing life in Christ (fruit of the Spirit), evidenced by love for others, God and themselves.
- Demonstrate a general knowledge of the Bible, including a deep/growing understanding of the major books.
- Nurture and evidence skills needful for continued spiritual growth within the demands of life and ministry.
- Demonstrate a thorough understanding of the historical development of theology and the ability to effectively support their theological views and apply them to practical life.
- Demonstrate a biblically accurate doctrine of Christian leadership.

DIVISION OF PROFESSIONAL STUDIES

Mr. Gary L. Burney, Business Administration Department Coordinator

Sport Management Department Coordinator TBA

Degrees offered within the Professional Studies Division at the Springdale Campus include:

Bachelor of Science in Business Administration (BSBA) with a concentration in Management

Bachelor of Science in Business Administration (BSBA) with a concentration in Marketing

Bachelor of Science in Sport Management (SPMT)

Business Administration Program Objectives

The Bachelor of Science in Business Administration program incorporates the development of the student's exposure to human problems and personal values through a well-planned curriculum which integrates within the curriculum, increasingly advanced cognitive skills, awareness of self and others, and social and interpersonal skills – all through a Christian worldview.

Two business administration degree tracks are available to the student:

1. Bachelor of Science in Business Administration in Management
2. Bachelor of Science in Business Administration in Marketing

Certain required courses within the business degree program form the theoretical and practical framework students need to succeed in increasingly responsible leadership roles within their professional and personal organizations. The Bachelor of Science in Business Administration degree encourages students to achieve the following educational objectives:

- Apply and synthesize the foundational areas of business to make sound business decisions.
- Access, use, and evaluate information in business decision-making.
- Use quantitative and qualitative analytical and critical thinking skills to evaluate information, solve problems, and make sound decisions.
- Effectively use various forms of business communication.
- Apply prescribed ethical codes and behaviors in business and professional environment.

The Management Degree:

The study of management prepares students for positions of leadership in for-profit and non-profit organizations of all sizes. The management curriculum focuses on the nature and capabilities of human and other resources, as well as how the manager plans, organizes, staffs, coordinates, and evaluates those resources in an organization and its environment. In addition to the above mentioned programmatic objectives, the management concentration requires that its graduates be able to:

- Collaborate effectively in team settings to analyze managerial decisions.
- Demonstrate cultural sensitivity and respect for individual perspectives when working in teams.
- Exhibit professionalism in management assignments.

MATH 1000	Intermediate Algebra
This course is designed for students who need to improve their mathematical understanding and skills prior to taking core curriculum at Ecclesia College. The course covers the fundamentals of algebra, including simplification of algebraic expressions, solving equations, and graphing techniques. Equivalent to three hours of credit; no college credit earned. Fall only.	

MATH 1330	Math Concepts I
A study of the underlying theory of elementary mathematical topics, including problem-solving, sets, numeration, computational algorithms, number theory, ratio, proportion, percent, real numbers, probability, and introductory algebra. Pre-requisites: A score of 19 or above on the mathematics section of Enhanced ACT, 460 or above on the math portion of re-centered SAT, or by special permission. Three credit hours.	
MATH 1350	College Mathematics
This is a study of the pattern and order in the universe. This course is designed for general education core and for degrees not requiring college algebra. Further, it is designed to provide students with mathematical understandings and skills to be productive workers, discerning consumers, and informed citizens. A strong emphasis is placed on mathematical modeling, technology, and the ability to think and reason critically, quantitatively, and logically. Projects, group work, reading, and writing are addressed. Pre-requisites: A score of 19 or above on the mathematics section of Enhanced ACT, 460 or above on the math portion of re-centered SAT, or by special permission. Three credit hours.	
MATH 1370	College Algebra
This course presents an overview of the fundamental concepts of algebra. Topics include linear and quadratic equations and inequalities; the Cartesian plane and graphing; using a graphing utility; functions, graphs and models; polynomial and rational functions; exponential and logarithmic functions, systems of equations, inequalities and matrices. Pre-requisites: A score of 19 or above on the mathematics section of Enhanced ACT, 460 or above on the math portion of re-centered SAT, or by special permission. Three credit hours.	
<u>Management (MGMT)</u>	
MGMT 2300	Principles of Management

MGMT 3300	Organizational Behavior and Leadership
This course examines the psychological and sociological variables important in understanding individual motivation, group functioning, change, creativity, organizational design, conflict and leadership in organizations. Particular attention is given to the application of leadership and management principles within the organizational structure. This course focuses on four distinct interrelated topics: the individual, the group, the organizational system, and the organizational dynamics. A series of self-assessments will help students determine their own organizational fit, as well as provide information concerning personal strengths and weaknesses related to managing an organization. Three credit hours. Offered on demand. (See COMM 3300 and LEAD 3320)	
MGMT 3310	Human Resource Management
This course focuses on determination of personnel requirements, recruitment of needed employees, testing and training methods, supervision, compensation and benefits, introduction to labor relations, and legal matters. Prerequisite: MGMT 3300. Three credit hours. Offered on demand.	
MGMT 3360	Supply Chain Management
This course involves a conceptual and analytical examination of the strategic, functional, and operational decisions made as a part of an organization's production/operations function. Prerequisites: BUSN 3330. Three credit hours.	
MGMT 4310	Small Business Management
This class is intended for students who may form or be employed by a small or family-owned business. It supplements management theory by providing well-balanced coverage of critical small business issues and practical experience in the determination and solution of actual business problems. In class lecture and discussion, as well as internet, applications and case studies are used to examine the issues and problems faced by small and family-owned businesses. Three credit hours.	
MGMT 4320	Entrepreneurship and Small Business Management
This course provides a foundation of knowledge and tools necessary to plan successfully, design, and start a new business venture and to reduce or avoid many of the problems encountered by such ventures. Lectures, case studies, and discussions are used to examine the issues and problems faced by new business ventures. Three credit hours.	

MGMT 4340	Entrepreneurship Practicum
<p>This course offers a student valuable practicum/internship experience. Three credit hours will be granted for this course upon completion of a minimum of 120 contact hours for an approved EC Student Internship. Per the internship contract, students will complete assignments designed to demonstrate knowledge, competency of the profession, and the ability to complete guided field research. The parameters of the internship will be determined by the Ecclesia College assigned faculty who will oversee the course. Prerequisite: Senior standing. Three credit hours.</p>	
MGMT 4360	Risk Management
<p>We are all faced with risk in our everyday lives. And although risk is an abstract term, our natural human understanding of the trade-offs between risk and reward is especially interesting. Yet being able to determine, understand and identify real risk is to be able to recognize the key factors that seem likely to cause volatility, expense and potential loss from a position of vulnerability must be taken into consideration. Whether it is a financial institution, major manufacturer or being a college student we must hone our abilities to recognize potential dangers and develop a plan to manage those risks. The success of this class is measured by our ability to recognize (objectively) uncertainty and vulnerability within the context of risk and reward. Three credit hours.</p>	
MGMT 4380	Business Leadership & Strategic Management
<p>Designed as a capstone course of all students in the B.S. in Bus. Adm. program, this course should be taken during the student's final semester. It provides a review of the basic organizational functions and emphasizes the nature, development, and implementation of an organization's strategy; it uses lecture, discussion, case studies, and organizational simulations (computer simulation may be required) as means of developing decision-making and problem-solving skills. Prerequisites: FINC 3300; MGMT 2300; MKTG 2300. Offered on demand. Three credit hours.</p>	
<u>Marketing (MKTG)</u>	
MKTG 2300	Principles of Marketing
<p>This course examines the role of marketing and marketing processes. The student will acquire an understanding of marketing concepts, terminology, associated technologies, practical applications, and how marketing relates to other business functions. The method of instruction includes lectures, discussion, and practical applications of material. Three credit hours.</p>	
MKTG 3310	Strategic Selling
<p>This course is offered to those students who want a deeper understanding of how personal selling and sales management relate to the other functional business areas. It examines strategic selling concepts and fundamental practices. The course explores terminology, associated technology (including information technology), and practical applications. Methods of instruction include lecture, discussion, workshops, and a semester project. Prerequisite: MKTG 2300. Offered on demand. Three credit hours.</p>	
MKTG 3320	Promotional Strategy
<p>This course examines advertising concepts, campaign strategy, media mix, advertising research, preparation of advertising copy, agency descriptions, and the relationship of advertising to the marketing mix. It uses a mix of lecture, discussion, and a required group project. Prerequisite: MKTG 2300. Offered on demand. Three credit hours.</p>	
MKTG 3360	Advertising and Public Relations
<p>This course examines the principles and theory of both Public Relations and Advertising to help the student better recognize in which discipline he or she is better suited. Special emphasis will be given to the theory and practices, while less time is devoted to the actual production (writing) of advertising and public relations communications. Prerequisite: COMM 3320. Three credit hours.</p>	
<u>Music Ministries (MMIN)</u>	
MMIN 1151-2, 2151-2 MMIN 3151-2, 4151-2	EC College Choir I-VIII

Exploring the origin, validity, and reliability of God’s written Word, while reviewing prominent world philosophies and religions, gives the student a basic framework from which to preach and share the Goodness of the Gospel without compromise. Three credit hours.	
THEO 5310	Theological Foundations of Faith: A Case Study
The course includes a brief overview of theological concepts and biblical doctrines related to Scripture, God, Jesus Christ and his work, man and his salvation, the Holy Spirit, and the Church. These themes will be examined through the focus of New Testament literature, predominately from the Epistles. Case studies will be selected for in-depth study of the application of Scripture to the life and work of a Christian leader. Three credit hours.	

STUDENT LIFE

Ecclesia College is an extension of the community of believers made up of those experiencing a unique call of God upon their lives. It is the desire of the college to be a clear demonstration and reflection of life in the Kingdom of God.

Ecclesia College functions in such a way as to promote both spiritual and academic growth in the individual that will motivate and equip each student to successfully accomplish the purposes of God for his/her life. We expect each student to accept responsibility for allowing God to freely work in his/her life.

Our desire is that the students at Ecclesia College will live and study together as a community of believers whose identification mark is love and the fruit of the Spirit.

Facilities

Dining Hall

The dining hall offers three meals per day on weekdays and two meals per day on weekends with the exception of school vacations. In addition to providing nutritious meals, the dining hall also provides a warm atmosphere in which students can fellowship.

Housing

Life in the dormitory is an essential part of development within each student. The interaction, the cooperation, and the discipline involved in dormitory living are important elements in the overall education program.

All students are required to live on campus. Exceptions to this rule may be made for:

- Those students who are older than the traditional age (18 – 22) for example, declared “independent” according to FSA guidelines and have a minimum 3.0 cumulative GPA
- Students who reside with their spouses or their parents in the area;
- Non-traditional students who take less than a half time (6 hours) schedule of courses; for example, concurrent students;
- Those students who have been removed from residence by specific College actions.

A resident senior student who turns 23 and wishes to live off campus the next term must have a minimum GPA of 3.0. The College does not offer married or family housing. Residence hall students are expected to be full-time students.

Library

The Ecclesia College Library is available to provide library resources that support, supplement, and continue classroom discussion and instruction. It is located on the first floor of the administration building and is open to all students. Library hours are posted.

Lifestyle Expectations

Our goal is for all students at Ecclesia College to know God in a personal way and to grow more and more into the image of Jesus Christ.

Believing the Bible to be our authority, we promote a lifestyle based on the Bible. This lifestyle is outlined in the EC Code of Honor and the regularly revised Student Handbook. The following items are provided as an overview of the lifestyle expectations at Ecclesia College.

Worship/Prayer Times

The administration and faculty of Ecclesia College seek to be sensitive to both the needs of students and the direction of the Holy Spirit. Periodically, a special time of prayer is called with the entire campus uniting together.

Standards of Conduct

The standards established by Ecclesia College represent an effort to be conformed to the likeness of Christ and to effectively serve Him as Lord. Standards of Conduct are outlined in the EC Code of Honor and the regularly revised Student Handbook.

The following is a general summary of standards held:

- An intimate relationship with Christ is a top priority. This can be achieved only as time is spent alone with Him on a daily basis. This intimate fellowship will evidence itself in spiritual growth, warm interpersonal relationships, and an increasing awareness of one's place in the Kingdom of God.
- Community worship and fellowship groups provide opportunities for growth.
- All relationships should be governed by the principles of Matthew 5:23-24 and 18:15-17.
- Students are expected to attend a local church on a regular basis.
- Relationships with the opposite sex should never interfere with one's relationship with God.
- Students are to base their selection of music, videos, and television programs on that which is personally edifying and glorifying to God.
- The use of alcoholic beverages, illegal drugs, vape pens, or tobacco is not permitted on or off campus.

Student Comments and Grievances

Personal Grievances: These should be handled according to Matthew 18:15-17. First, go in humility to the other person. If the conflict is not resolved, one or two others should be involved. If the conflict remains, the matter should be presented to the Student Life Office who can give appropriate direction for resolution.

Academic Grievance: Grievances regarding academic college policy and/or actions should be dealt with according to the following steps:

- Submit a written complaint or appeal to one's instructor.
- If the problem is not resolved, submit a written complaint or appeal to the appropriate Department Coordinator or Division Chair. He/she, in turn, will work with his/her supervisor or the Academic Dean for a solution.
- If the problem remains, a written appeal should be submitted to the Grievance Committee (i.e., the Academic Committee).

Other Grievances: Grievances regarding general college policy and/or actions should be dealt with according to the following steps:

- Submit a written complaint and appeal to the appropriate supervisor. If the grievance is not resolved, the supervisor, in turn, will work with his/her supervisor and with the one who has submitted the complaint or appeal.
- If the problem remains, a written appeal should be submitted to the Dean of Students.
- Should the matter still not be resolved, it may be appealed to the Grievance Committee (a specially appointed committee comprised of members of Student Development Committee and/or EC Honor Council).

ABHE Student Grievance Procedure

If you have exhausted the above institutional processes, formal comments regarding campus standards may be addressed to EC's accrediting body, The Association for Biblical Higher Education, 5575 S. Semoran Blvd., Suite 26, Orlando, FL 32822-1781.

ADHE Student Grievance Procedure

Arkansas Department of Higher Education (ADHE) requires the institution to make a decision on the student grievance following the institution's public policy.

If you have exhausted the above institutional processes, formal comments regarding campus standards may be addressed to the Arkansas Department of Higher Education within 20 days of completing the institution's grievance procedures. The student may file the complaint in writing with the ICAC Coordinator, Arkansas Department of Higher Education, 114 East Capitol, Little Rock, AR 72201.

The grievant must provide a statement from the institution verifying that the institution's appeal process has been followed. ADHE will notify the institution of the grievance within 15 days of the filing. Within 10 days after ADHE notification, the institution must submit a written response to ADHE. Other action may be taken by ADHE as needed.

Assemblies

The Assemblies underscore the College's biblical values and ideals. A whole-life Christian living approach is emphasized as Christian leaders, professionals, faculty, and students share their life lessons at these required assemblies that meet two times each week. Attendance and punctuality is required.

Student Activities and Recreation

Recreation facilities on campus and in the surrounding community provide ample opportunity for each student to enjoy a variety of sports and recreational activities.

Service Learning Program

Philosophy

Ecclesia College believes that every student needs to be involved in the practical and continuous sharing of faith, particularly in view of the professional character of his/her college education.

Purpose

To provide opportunities for students to better prepare themselves for the demands placed on them after graduation.

Goal

Students learn a lifestyle of service, being a practical blessing to those around them in the body of Christ and in their surrounding community.

Objectives

- To develop a lifestyle of service (Create an atmosphere on campus where community service is not a mere extracurricular activity, but an integral part of student's education experience).
- To live out Jesus' practical love ("love your neighbor as yourself").
- To identify where Jesus is active in the community and join that work.
- To interact with community.
- To become more aware of community needs.
- To become more aware of how individuals, small groups, and organizations can impact the local community.
- To develop tools to advocate for local community service and local community needs.

Requirement

Every Ecclesia College student is required to complete a minimum of 12 service credits through approved projects per semester. If students fail to complete their assignment and turn in reports of hours worked in a timely manner, they will receive a "failing" grade for the semester and they will have to make-up the uncompleted service hours plus complete the normal requirement of 12 service hours in a timely manner the following semester. The student must meet the minimum required service learning credits before being granted his/her diploma. Students taking less than 6 credit hours will be expected to communicate with the Dean of Students regarding their service hour requirement.

Work-Learning-Service Program

On the Ecclesia College campus, there has been an historical recognition of the value of work and an institutional commitment to promote an understanding of that value among students through establishment of a Work-Learning-Service Program. This program helps students to understand work as a tool for experiential education, as a means of serving the community, nation, and world, and as a place for integrating academic learning, practical knowledge, and life lived in the larger community.

Immediate benefits of participation in the Work-Learning-Service Program include reduction of student debt, increased opportunities for service, and practical career preparation.

We believe that the educational process should be comprehensive, with each of its many participants informing and being informed by the broader community. Our students prepare for leadership through participation.

During each Fall & Spring semester, students will be able to apply for various positions to work alongside other personnel 6-12 hours per week, primarily at our on campus facilities. Community service positions are also available for qualified students.

The actual amount of money earned for the hours worked in the Work-Learning-Service Program throughout the academic year is credited toward the student's tuition costs.

The Work-Learning-Service Program is required for all Springdale Campus students.

FINANCIAL INFORMATION

Springdale Campus Fees

Application Fee

Ecclesia College requires a \$35 non-refundable (one-time) application fee for its U.S. students; international students pay a \$125 non-refundable (one-time) application fee instead. This fee is not applied to tuition. It is used to cover the costs of application processing.

Classroom/Course Fees

Specific classroom/course fees will be noted during the registration and enrollment process, i.e., the Biology and Anatomy & Physiology I & II courses are assessed a \$50 lab fee per semester.

Credit by Examination

The cost for credit by examination is \$35/credit hour. See the Registrar for more information.

Document Replacement Fee

A charge of \$35 is made for a diploma document replacement.

Late Enrollment Fee

A \$100 late enrollment fee will be assessed of any student who fails to complete the Enrollment Validation Process before the end of the business day announced during the student orientation.

Late Registration Fee

A \$100 late registration fee may be assessed of any student who begins the admissions process on or after the first day of classes.

Add/Drop Course Enrollment Fee

A \$10 fee is charged for each course added and each course dropped after the scheduled registration period. See Academic calendar for published deadlines.

Graduation Fee

The graduation fee (\$115.00 for undergraduate programs and \$150.00 for graduate programs) will be charged at the beginning of the student's last semester of enrollment prior to graduation. The charges for certificate printing, certificate covers, handling and shipping costs, and graduation event are included in this fee. The charges for the robe, cap, tassel, and honor regalia are included in this charge.

A practice fee is included and payable whether the student lives on campus or not.

A **piano technology fee** of \$85 is assessed per semester of students taking piano in a classroom setting (class piano).

A **voice fee** of \$35 is assessed per credit hour of students taking voice in a class setting (class voice); i.e. one credit hour equals \$35; two credit hours equal \$70.

Returned Check Fee

Returned checks will be charged \$50 per occurrence. Please contact the Business Office for more information.

Transcript Requests

Academic records are archived and maintained by the Ecclesia College Registrar's Office and may be furnished to students or alumni upon their personal request.

A \$5 fee is charged per official transcript. Please visit our website to find the link to the Ecclesia College Transcript Ordering Center, which can be found at: ecollege.edu/academics/.

Once an official request is made to the Registrar's Office, the college's Business Office and Financial Aid office must authorize release of an official transcript. Transcripts may be released only to those students and graduates whose accounts are paid in full. No charge is assessed for official transcripts provided for potential scholarship awards released directly to a scholarship committee. However, a \$5 fee will be assessed if an official transcript is requested to be included in a scholarship/grant package mailed by or for the student. Please specify clearly to the Registrar's Office if a request is submitted for a potential scholarship.

EC Online Fees

For a complete listing of EC Online tuition and fees, please visit the following link on the College's website: <https://ecollege.edu/eonline/ec-online-tuition-fees/>

Tuition & Fees

Tuition is \$525 per credit hour. (Each credit hour represents 15 fifty-minute sessions or one week of classes in the modular system.) The full-time tuition charge for one academic semester is \$7875 for the student enrolled in 12 – 18 credit hours. \$525 is charged for each credit hour above 18.5 hours taken per semester.

A payment plan is available per semester of enrollment with an initial \$50 enrollment fee. For more details or to request a payment plan, please communicate with the EC Business Office: 479-248-7236 x. 210.

Student fees per semester: \$550. (Room & Board is not included)

Note: Tuition and fees are subject to change year to year.

Financial Aid

Ecclesia College participates in the following Federal Financial Aid programs:

- Pell Grants
- FSEOG
- Direct Loans
- Work Study
- Work College

The Ecclesia College Federal School Code is 038553.

Our disbursement policies are consistent with the standards set forth by the U. S. Department of Education Title IV Program guidelines and policies. Please see the Financial Aid Office regarding questions and procedures.

Outstanding Accounts

Upon entry into Ecclesia College, an account is established for each student. The account statement will show all charges and credits. Students may view their financial statement through Populi. Questions about student accounts should be directed to the EC Business Office.

Student accounts must be current before registering in a new semester or academic year. Similarly, accounts need to be current before transcripts can be issued.

Refund Policy

It is the purpose of this notice to inform students of the financial implications of withdrawal. If, for any reason, a student withdraws from Ecclesia College before the end of the semester, the Business Office (with Financial Aid Office assistance) will calculate and make any refund of tuition, room and board that is due. The amount of any refund is based upon how much of the term has elapsed.

Withdrawal Date: A student withdrawing from Ecclesia College during the semester must see the Dean of Students and complete a Notification of Withdrawal form. When a student withdraws from Ecclesia College, the withdrawal date used to determine the refund is the last date of attendance at an academically related activity. Then, the student must officially drop his or her classes through the Registrar's Office. The student is expected to meet all obligations involving college administration, faculty, and fellow students, books and library fees. Transcripts will be held until all college financial obligations are met.

Refund Policy for Withdrawal – Traditional courses.

Refunds for tuition apply only to students completely withdrawing from school. There is no refund for any other fees charged, once classes begin. Tuition is refunded according to the following schedule:

100% week 1
 80% week 2
 60% week 3
 40% week 4
 20% week 5
 No refund after the 5th week

Room and board charges will be pro-rated weekly over the number of weeks in the term. No refunds will be given after 61% completion of Room & Board.

Ecclesia-awarded scholarships are reduced at the same percentage as the tuition is refunded to compute the student's final charges upon withdrawal.

Example: A student has a \$1000 soccer scholarship and a \$250 ACT scholarship and withdraws during week 2. The \$1000 EC soccer scholarship would be reduced to \$200 and the ACT scholarship would be reduced to \$50 to compute the student's final charges.

Payment Considerations: For those students or parents who have received a loan from the Federal Loan Program (Direct/PLUS) and for those students who have received a Pell Grant, specific program requirements determine how much aid from those programs may be kept when a student withdraws early. In general, those programs assume a student "earns" a Direct Loan, PLUS Loan, Pell Grant, in proportion to the number of days in the term prior to the student's withdrawal. Funds are earned in a prorated manner on a per diem basis up to the 60% point in the semester. After that point, such funds are viewed as 100% earned. If a student receives more assistance than he earned, both the student and the College may be responsible for returning "unearned" funds to their source. Any "unearned" funds will be returned to the respective programs in the following order:

1. FFELP unsubsidized student loans (unsubsidized Direct Student Loans),
2. FFELP subsidized loans (subsidized Direct Student Loan),
3. FFELP parent loans (PLUS)
4. the Pell Grant, and
5. Federal SEOG Grant

In the event Pell Grant funds were disbursed directly to the student for education related expenses (rather than applied to the student's college account for tuition, room and board), the "unearned" portion that must be returned by the student is reduced by 50%.

Work Learning wages will be paid to the student's account according to the number of hours he/she has worked.

Refund: For those students receiving no financial assistance, the prorated charges will be compared to the payment the parents and student have made and the parents and student will either receive a refund or owe an amount to the College.

For those students receiving financial assistance, the College will determine the amount of financial assistance that must be returned to the sources of aid. In general, the calculation is based upon the principle that the resources of the student and his parents are used to pay for educational expenses before financial assistance from others. (Funds received from the Federal Loan Program or Pell Grants are handled separately, as described above.) Aid funds are returned to their respective sources in this order:

1. State grant and scholarship funds,
2. Institutional grant,
3. Other outside grants/scholarships.

After determining how much financial assistance must be returned to the sources of aid, any remaining financial assistance is applied toward the student's prorated charges together with the parents' and student's payments, and the FFELP loan funds and Pell Grant funds retained in the student's account as described above. If these resources exceed the prorated charges, the corresponding excess will be credited first against any other charges owed by the student to the College (e.g. a bookstore bill), and then any remainder will be refunded to the parents and student.

If, instead, there is a balance due, the parents and student are responsible for making payment to the College. Payment must be made within thirty days unless the College's Business Office agrees to other payment arrangements.

EC Federal Title IV Return of Funds Policy (R2T4)

The return of Title IV funds is administered by Financial Aid Office of Ecclesia College. This policy applies to students who withdraw (official, unofficially) or are dismissed from enrollment at Ecclesia College. It is separate and distinct from the Ecclesia College Refund Policy (see Refunds section under Student Expenses in the College General Catalog). Therefore, the student may still owe funds to the school to cover unpaid institutional charges. The school may also attempt to collect from the student any Title IV program funds that the school was required to return. The calculated amount of the "Return of Title IV Funds" that is required for students affected by this policy are determined according to the following definitions and procedures, as prescribed by regulation.

The Institution has 45 days from the date the institution determines that the student withdrew to return all unearned funds for which it is responsible. The school is required to notify the student if they owe a repayment via written notice.

The school must advise the student or parent that they have 14 calendar days from the date the school sent the notification to accept a post-withdrawal disbursement. If a response is not received from the student or parent within the permitted time frame or the student declines the funds, the school will return any earned funds that the school is holding to the Title IV programs. Post-withdrawal disbursement must occur within 120 days of the date the student withdrew.

The return of Title IV Funds (R2T4) regulation does not dictate the institutional refund policy, however. The calculation of Title IV funds earned by the student has no relationship to the student's incurred institutional charges.

Title IV funds are awarded to a student under the assumption that he/she will attend school for the entire period for which the assistance is awarded. When a student withdraws from all his/her courses, for any reason including medical withdrawals, he/she may no longer be eligible for the full amount of Title IV funds that he/she was originally scheduled to receive.

A school is required to determine the earned and unearned Title IV aid a student has earned as of the date the student ceased attendance based on the amount of time the student was **scheduled** to be in attendance.

If the student withdraws from all his courses prior to completing over 60% of a semester, he/she may be required to repay a portion of the federal financial aid that he/she received for that term. A pro rata schedule is used to determine the amount of federal student aid funds he/she will have earned at the time of the withdrawal. Federal aid includes Federal Stafford Loan (subsidized and unsubsidized), Parent Plus Loan, Pell Grants, SEOG Grants, ACG, and any other Title IV funds.

The return of funds is based upon the concept that students earn their financial aid in proportion to the amount of time in which they are enrolled. Under this reasoning, a student who withdraws in the second week of classes has earned less of his/her financial aid than a student who withdraws in the seventh week. Once 60% of the semester is completed, a student is considered to have earned all of his financial aid and will not be required to return any funds.

Withdrawal before 60%:

The Ecclesia College FA Office must perform a R2T4 to determine the amount of earned aid up through the 60% point in each *payment period*. Ecclesia College will use the Department of Education's prorate schedule to determine the amount of R2T4 funds the student has earned at the time of withdrawal. After the 60% point in the payment period or period of enrollment, a student has earned 100% of the Title IV funds he or she was scheduled to receive during the period. The institution must still perform a R2T4 to determine the amount of aid that the student has earned.

Withdrawal after 60%:

For a student who withdraws after the 60% point-in-time, there are no unearned funds. However, Ecclesia College will still determine whether the student is eligible for a post-withdrawal disbursement.

Withdrawals:

A student's **official** withdrawal date is determined by using one of the following:

- The date he/she officially withdrew with the Office of the Registrar during the Registrar's withdrawal period.
- The date the student submitted his petition to withdraw to the Dean of Students if the Office of the Registrar's withdrawal period has ended and the student successfully petitioned to withdraw.
- The date the student was expelled/dismissed from the college.

In the event that a student does not go through the proper withdrawal procedures as defined in the Academic Information section of the College Academic Catalog the student's **unofficial** withdrawal date is determined by using one of the following:

- The date the student died, if the student passed away during the semester.
- The last date that the student attended class or academic activity, whichever is later.
- If a student fails to earn a passing grade in any class, the Registrar will collect class attendance records for the student and determine if applying the "unofficial withdrawal date" policy is applicable.

The student must inform in a timely fashion, in person or by email if personal appearance is not possible, the Financial Aid Office at jwadkins@ecollege.edu of any withdrawal occurring during a semester.

The FA Office determines the return of Title IV funds percentage. Institutions are required to determine the percentage of Title IV aid "earned" by the student and to return the unearned portion to the appropriate aid program.

The return of Title IV funds policy follows these steps:**Step 1: Student's Title IV information**

The FA Office will determine:

- A) The total amount of Title IV aid disbursed (Not aid that could have been disbursed) for the semester in which the student withdrew.

A student's Title IV aid is counted as aid disbursed in the calculation if it has been applied to the student's account on or before the date the student withdrew.

- B) The total amount of Title IV aid disbursed plus the Title IV aid that could have been disbursed for the semester in which the student withdrew.

Step 2: Percentage of Title IV Aid Earned:

The FA Office will calculate the percentage of Title IV aid earned as follows:

The number of calendar days completed by the student divided by the total number of calendar days in the semester in which the student withdrew.

The total number of calendar day in a semester shall exclude any scheduled breaks of more than five days.

Days Attended ÷ Days in Enrollment Period = Percentage Completed

If the calculated percentage exceeds 60%, then the student has “earned” all the Title IV aid for the enrollment period.

Step 3: Amount of Title IV Aid Earned by the Student

The FA Office will calculate the amount of Title IV Aid earned as follows:

The percentage of title IV aid earned (Step 2) multiplied by the total amount of Title IV aid disbursed or that could have been disbursed for the term in which the student withdrew (Step 1-B).

Total Aid Disbursed x Percentage Completed = Earned Aid

Step 4: Amount of Title IV Aid to be Disbursed or Returned:

If the aid already disbursed equals the earned aid, no further action is required.

If the aid already disbursed is greater than the earned aid, the difference must be returned to the appropriate Title IV aid program.

Total Disbursed Aid – Earned Aid = Unearned Aid to be Returned

If the aid already disbursed is less than the earned aid, the SFS will calculate a Post- Withdrawal Disbursement.

Earned AID:

Title IV aid is earned in a prorated manner on a per diem basis (calendar days or clock hours) up to the 60% point in the semester. Title IV aid is viewed as 100% earned after that point in time. A copy of the worksheet used for this calculation can be requested from the financial aid director. In accordance with federal regulations, when Title IV financial aid is involved, the calculated amount of the R2T4 Funds" is allocated in the following order:

Return of the Title IV Aid, based on the type of aid disbursed, in the following order:

1. Unsubsidized Federal Direct Loan
2. Subsidized Federal Direct Loan
3. Federal Plus Loan received on behalf of the student
4. Pell Grant
5. SEOG Program Aid
6. Other Title IV Aid

Loans must be repaid by the loan borrower (student/parent) as outlined in the terms of the borrower's promissory note. The student's grace period for loan repayments for Federal Unsubsidized and Subsidized Direct Loans will begin on the day of the withdrawal from the College. The student should contact the lender if he/she has question regarding their grace period or repayment status.

Institutional and student responsibility in regard to the Federal Return of Title IV Funds Policy

The FA Office's responsibilities in regard to the Return of Title IV funds policy include:

1. Providing each student with the information given in this policy;
2. Identifying students affected by this policy and completing the Return of Title IV Funds calculation;
3. Informing the student of the result of the Return of Title IV Funds calculation and any balance owed to the College as a result of a required return of funds;
4. In a timely manner, returning any unearned Title IV aid that is due to the Title IV programs and, if applicable, notifying the borrower's holder of federal loan funds of the student's withdrawal date;
 - a. Within 7 days of determining that a student withdrew, the Registrar's Office is to make communication with the FA Office
 - b. Within 30 days of determining that a student withdrew, the FA Office is to submit R2T4 calculations to the Business Office
 - c. The College has 45 days from the date the institution determines that the student withdrew to return all unearned funds for which it is responsible.
5. Notifying student and/or Plus borrower of eligibility for a Post-Withdraw Disbursement, if applicable.

The student's responsibilities in regard to the Return of Title IV Funds policy include:

1. Becoming familiar with the Return of Title IV Funds policy and how withdrawing from all his courses effects eligibility for Title IV aid;
2. Resolving any outstanding balance owed to Ecclesia College resulting from a required return of unearned Title IV aid.

Post-Withdrawal Disbursements:

In the event a student is eligible for a post-withdrawal disbursement based on the student's budget, awarded financial aid and Title IV funds and R2T4 calculations, a post-withdrawal disbursement must be made only after the following conditions are met.

1. Student and parents were in most cases verbally notified of the availability of post-withdrawal disbursements by the FA Office within one week from the date of R2T4 calculation was performed.
2. Student and parents in most cases verbally notified the FA office within a reasonable time indicating their acceptance of available post-withdrawal disbursement amounts. The reasonable time refers to allowing sufficient time for the school to process a post-withdrawal disbursement within the deadlines set by the Department of Education.
3. Student has outstanding institutional charges that are due and wants to pay off those charges by applying his/her post-withdrawal disbursement.
4. Student/Parents completed all necessary paperwork related to such post-withdrawal disbursement within a reasonable time.

5. Student Financial Services must track the notification and authorization to make the disbursement and meet deadlines as prescribed by ED. A school must process Title IV aid within 120 days from the last day of the enrollment period.

The post-withdrawal disbursement must be applied to outstanding institutional charges before being paid directly to the student.

The procedures and policies listed above are subject to change without advance notice.

Scholarships

Friends and partners of Ecclesia are funding scholarships for Ecclesia College students who have financial need or who meet certain profile criteria. These scholarships form the basis of the general scholarship fund. Award amounts are based on a funds available basis throughout the year. The Scholarship/Grant Committee according to established criteria determines the distribution of all scholarship funds. Candidates for scholarships are determined by direct application, invitation by the Scholarship/Grant Committee or nomination by any member of the Scholarship/Grant Committee or established fund representative.

We invite churches to implement scholarship funds with Ecclesia College for their membership. An application to establish a scholarship fund can be obtained from the Business Office.

Financial Assistance

Some scholarships are available for students who meet certain profile criteria. Further information and applications are available through the Financial Aid Office. Funding sources are subject to change without notice.

The combination of all Financial Assistance awards may not exceed student's Cost of Attendance (COA) for the academic year.

Application Dates

Applications for financial assistance are available after January 1 of each year for the following academic year (July-June). Financial aid applications are awarded on a funds available basis throughout the year.

EC ONLINE DIVISION

Ecclesia College EC Online Degree Programs

EC Online programs offer curricula equivalent to those offered on campus, with the benefit of convenience.

To receive instruction through this medium, students must have adequate computer equipment and sufficient skills to be able to receive instruction via the internet. To find the latest information about the online program, visit the website at <http://ecollege.edu/technical-requirements/>.

Students may complete entire degrees (and/or certificates) online through distance education:

Division of General Studies

Associate of Arts
Associate of General Studies

Division of Biblical/Theological Studies

Associate of Biblical Studies
Bachelor of Biblical Studies
Bachelor of Science in Psychology and Counseling

Division of Leadership Studies

Bachelor of Arts in Leadership
Bachelor of Christian Leadership (EC Online only)
Master of Christian Leadership

Division of Professional Studies

Bachelor of Science in Business Administration in Management
Bachelor of Science in Business Administration in Marketing

DIVISION OF GENERAL STUDIES

Mrs. Sheila Figueroa, EC Online General Studies Division Chair

The EC Online Campus currently offers the Associate in General Studies degree. As of Fall 2019, the Associate of Arts degree has been added to the EC Online curriculum.

Associate of Arts – The Associate of Arts (A.A.) degree is designed for students who want to further their education by completing a bachelor's degree. Students are prepared and enabled to succeed in a four-year college academically, whether at Ecclesia or by transfer to another institution of higher learning

Associate of General Studies – The Associate of General Studies (A.G.S.) degree is designed to accommodate the lifetime career and vocational needs of students. The degree meets state requirements in general studies and also allows the student to select 18 elective hours which he/she can select with the help of their academic mentors/advisors.

The Division of General Studies also oversees the general education course offerings for baccalaureate and associate degree programs for both distance education and traditional campus modalities.

A comprehensive listing of Institutional Outcomes as Program Objectives for the associate degrees are listed elsewhere in this catalog (see pages 11-12). It is believed that even two year students should be able to demonstrate the qualities and values modeled by Jesus Christ upon graduation.

Associate of Arts Degree Program Objectives

Ecclesia College prepares and enables students to achieve competence in seven broad areas: Biblical Worldview and Faith, Critical and Creative Thinking, Effective Communication, Integrity, Leadership, Lifelong Learning, Service and Stewardship. Ultimately, the goal of the Associate of Arts degree is to prepare students to continue further studies at the baccalaureate level at either Ecclesia College or in transfer to another institution of higher learning.

In addition to the general studies program objectives, graduates in the Associate of Arts degree will:

- Evidence knowledge of biblical values and beginning scriptural interpretive skills.
- Demonstrate collaboration within the academic environment with regard to communication, critical thinking, analysis, application, and decision-making.
- Develop or refine understanding of personal skills and abilities leading to better or more appropriate program of study, career, and personal choices.

Licensure

Coursework for the Bachelor of Science in Psychology & Counseling degree is not accepted for counseling/counselor licensure in the State of Arkansas. This is not a unique requirement for Ecclesia College. Completion of an accredited master's program in the appropriate field is required for state licensure in most states in the U.S.

DIVISION OF LEADERSHIP STUDIES

EC Online Leadership Studies Division Chair, TBD

Three degrees are offered within the Leadership Studies Division through the EC Online Campus:

Bachelor of Arts in Leadership (BAL)

Bachelor of Christian Leadership (BCL)

In addition to the college's institutional or educational goals, programmatic objectives are included as an introduction to each of Ecclesia College's degree programs.

Bachelor of Arts in Leadership Program Objectives

The Bachelor of Arts in Leadership prepares aspiring servant-leaders with the character, the creativity, the skills and the strategies they need to make their careers in both private and public sectors a lasting success. The program equips and empowers students to discover and develop their leadership dreams through a broad curriculum enabling competency in various leadership functions. Faculty members employ their personal and professional expertise to integrate technical and practical subjects in a concentration that assists students in achieving the following educational goals:

- Master the tools and tactics of servant-leadership to promote success of people and projects.
- Develop ethical and responsible leadership skills applicable to many professions across various sectors.

Christian Leadership Program Objectives

The program is intended to help the student integrate Christian principles into his/her personal and professional life, serve in a position of leadership in a service organization, understand Scriptural leadership principles and be capable of applying those principles in practical situations, deliver public presentations and function as part of a team-building group.

Ecclesia College prepares and enables students to achieve competence in seven broad areas: Biblical Worldview and Faith, Critical and Creative Thinking, Effective Communication, Integrity, Leadership, Lifelong Learning, Service and Stewardship. In addition, those seeking a Bachelor of Christian Leadership also will be prepared to demonstrate major field competence as follows:

- Apply biblical concepts of leadership to meet the needs of diverse audiences.
- Learn patterns of devotional practice and personal growth that will equip one for spiritual leadership.
- Communicate the Gospel in a variety of contexts and to diverse audiences.
- Explain the Scriptures with accuracy and skill.
- Integrate Christian principles into critical thinking and decision making in one's personal and/or professional life.
- Use the dynamics of interpersonal relationships and concepts of effective communication to handle the people-related issues one faces in the context of ministry, vocation, and home.
- Lead the development of a ministry project by implementing a strategic process.

DIVISION OF PROFESSIONAL STUDIES

Dr. Kenny W. Roberts, EC Online Professional Division Chair

Degrees offered within the Professional Studies Division through the EC Online Campus include:

Bachelor of Science in Business Administration (BSBA) with a concentration in Management

Bachelor of Science in Business Administration (BSBA) with a concentration in Marketing

Certificate in TESL

Business Administration Program Objectives

The Bachelor of Science in Business Administration program incorporates the development of the student's exposure to human problems and personal values through a well-planned curriculum which integrates within the curriculum, increasingly advanced cognitive skills, awareness of self and others, and social and interpersonal skills – all through a Christian worldview.

Two business administration degree tracks are available to the student:

1. Bachelor of Science in Business Administration in Management
2. Bachelor of Science in Business Administration in Marketing

Certain required courses within the business degree program form the theoretical and practical framework students need to succeed in increasingly responsible leadership roles within their professional and personal organizations. The Bachelor of Science in Business Administration degree encourages students to achieve the following educational objectives:

- Apply and synthesize the foundational areas of business to make sound business decisions.
- Access, use, and evaluate information in business decision-making.
- Use quantitative and qualitative analytical and critical thinking skills to evaluate information, solve problems, and make sound decisions.
- Effectively use various forms of business communication.
- Apply prescribed ethical codes and behaviors in business and professional environment.

The Management Degree:

The study of management prepares students for positions of leadership in for-profit and non-profit organizations of all sizes. The management curriculum focuses on the nature and capabilities of human and other resources, as well as how the manager plans, organizes, staffs, coordinates, and evaluates those resources in an organization and its environment. In addition to the above mentioned programmatic objectives, the management concentration requires that its graduates be able to:

- Collaborate effectively in team settings to analyze managerial decisions.
- Demonstrate cultural sensitivity and respect for individual perspectives when working in teams.
- Exhibit professionalism in management assignments.

DIVISION OF GRADUATE STUDIES

Degree offered within the Graduate Studies Division:

Master of Christian Leadership

Master of Christian Leadership Program Objectives

The Master of Christian Leadership is an online degree designed to offer biblical and theological education at the graduate level. This program will prepare Christian students who have a growing relationship with God to effectively lead in a wide variety of settings, including church and parachurch organizations, the mission field (stateside and international), and the marketplace. The Master of Christian Leadership is intended to help the student integrate biblical principles into his/her personal and professional life, understand scripture and be capable of applying its principles in practical situations.

Specific Program Objectives:

- Develop ever-increasing levels of integrity in all aspects of life (personal, professional/ministry, relational).
- Demonstrate increasing life in Christ (fruit of the Spirit), evidenced by love for others, God and themselves.
- Demonstrate a general knowledge of the Bible, including a deep/growing understanding of the major books.
- Nurture and evidence skills needful for continued spiritual growth within the demands of life and ministry.
- Demonstrate a thorough understanding of the historical development of theology and the ability to effectively support their theological views and apply them to practical life.
- Demonstrate a biblically accurate doctrine of Christian leadership.
- Become involved in practical experiences to develop ministry competencies.
- Demonstrate the necessary skills for assessment of an organization.
- Design a leadership development plan for an organization.

EC ONLINE COURSE DESCRIPTIONS

Accounting (ACCT)

ACCT 2345	Principles of Accounting I
This course covers basic principles of accounting for individual proprietorships. The first semester covers the theory of debits and credits, the accounting cycle including books of original entry, ledgers, working papers, and financial statements, accruals and deferrals, asset valuations, and payroll accounting. Three credit hours.	
ACCT 2355	Principles of Accounting II
This course is a continuation of ACCT 2345, with emphasis on accounting for partnerships and corporations, introduction to manufacturing and cost accounting, and financial statement analysis. Prerequisite: ACCT 2345. Three credit hours.	
ACCT 3355	Accounting for Managers
This course provides an overview of accounting from the perspective of a non-accounting manager. It helps to develop the tools to understand the essentials of how finance functions within an organization. This includes internal controls, the function of accounting, historical accounting data and financial planning. Prerequisites: ACCT 2345 & 2355. Three credit hours.	
ACCT 5305	Accounting for Financial Reporting & Management
This course examines the accounting practices and techniques that managers use to plan, analyze, and control operations of both manufacturing and service organizations. Three credit hours.	
Bible (BIBL)	
BIBL 1305	Devotional Principles
Prayer and Praise are the direct lines to and from the presence of a personal God. Therefore, Biblical prayers and expressions of praise are carefully studied. As Biblical prayer is believed to have a direct bearing on the effectiveness of one's personal ministry, the class is led to focus on Holy Spirit directed prayer and intercession for the nations of the world. The student participates in a minimum of three hours per week of practical application. Three credit hours.	
BIBL 1315	Intro. to the Bible
This course is a historical and thematic look of the Bible. It focuses on its foundation in world history, enabling the student to put the various Old and New Testament books in their proper place in the overall story of God's working from creation to the second coming of Christ. Three credit hours.	
BIBL 1355	Old Testament Survey
This course is an introductory survey of Old Testament literature, covering background, major themes, genre, critical issues of interpretation and contemporary application. Three credit hours.	
BIBL 1365	New Testament Survey
This course is a survey of the literature of the New Testament, including the Synoptic Gospels and the Acts of the Apostles, The Gospel and letters of John, the letters of Paul, the letter to the Hebrews, the letter of James, the letters of Peter, the letter of Jude, and the Apocalypse of John. Emphasis will be placed on rigorous interacting with the NT text in English translation as well as the socio-historical and literary contexts of these documents. The course will involve reading the entire New Testament, additional reading assignments and quizzes, and a final synthetic paper. Three credit hours.	
BIBL 2325	The Corinthian Correspondence
Corinthian Correspondence will include a close reading of the letters of Paul to the Corinthians (1 st and 2 nd Corinthians), with special attention given to literary, socio-historical, and theological understandings of the epistles—primarily Paul's reference to at least four letters to the Corinthians—of which we only have two. The class will also focus on the "Corinthian slogans" and the unique passages on the "charismata." Three credit hours.	
BIBL 2335	Life of Christ
The <i>Life of Christ</i> is a course focused on the life of Jesus and is designed to address the question, "Who is Jesus?" (Matt 16:13). This will include understanding the world Jesus lived in, his significant familial relationships, as well as his teachings, ministry, and spirituality. We will pay particular attention to the everyday life of the Jews in ancient Palestine, the significance of Jesus' claim to be the Son of God, and the interpretative task of understanding Jesus within our own cultural context. Three credit hours.	

BIBL 2345	Colossians in Context
Colossians in Context is designed to be a verse-by-verse study of the New Testament Letter of the Apostle Paul to the Colossians as well as a general overview of the time, setting, and geography of the city and people living in Colossae at the time of the writing. A thorough study of Colossians is necessary to understanding the historical and cultural contexts in which the book was originally circulated, as well as grasping the theological meaning of Colossians within the NT canon. This study will show Paul's purpose in writing and give insight into how the challenges of daily life for the church in Colossae compare to life for Christ-followers contemporary American culture. Three credit hours.	
BIBL 3315	Acts

We want to make private, Christian education as affordable as possible. The gifts of like-minded donors make it possible for us to offer a generous scholarship, bringing our \$500 online credit hour down to the very palatable rate of **\$299.67 per credit hour**. Therefore, a 3 credit hour undergraduate course with EC Online costs you only \$899. See the Financial Aid section (below) to discover how you can pay even less, out-of-pocket, for your online studies. Or [click here](#) to view our Financial Aid Guide.

Graduate courses are \$950 for a 3 credit hour course (\$316.66 per credit hour) after the scholarship is applied. The normal rate of tuition for graduate courses is \$625 per credit hour.

Are you an Arkansas resident? Up to \$2,000 per year (potentially growing each year of enrollment) has recently been made available for your higher education! Click one of these links to view Financial Aid Scenarios for Arkansas Students, Out of State Students, and International Students.

Undergraduate Online Course Costs	
Tuition Per Credit Hour (after \$200.34 scholarship)	\$299.67
Tuition Per Course (after \$601.02 scholarship)	\$899
One Time Application Fee	\$40 (\$175 for International Students)
* One Time Learning Management Fee	\$200
One Time Graduation Fee - Undergraduate	\$115
One Time Graduation Fee - Graduate	\$150
** Technology Fee Per Course	\$50

Material/book costs vary. Online costs subject to change. See Refund Policy below.

* Instead of paying separate fees for services like new student orientation, advisement, degree applications, re-enrollment, etc., EC students pay a one-time *Learning Management Fee* and receive these and other services at no charge.

**The technology fee covers learning management (LMS) and student information (SIS) systems.

If you are interested in applying for life experience evaluation, please expect a \$35 charge per credit hour *evaluated* (not granted).

Payment for EC Online Courses

- 1) Payment must be made *before* your official enrollment at least one week prior to the commencement of your courses in order for you to have time to order and receive your textbooks.
- 2) A check or credit card for the total amount must be processed by the EC Business Office prior to our Online Academic Office officially activating your course enrollment. Any Pell and/or Loan money you are granted that is not used for tuition and fees will be reimbursed to you once the College has received it.
- 3) To make a payment by check contact EC Online Student Services.

Financial Aid

Maximum Pell grants vary from year to year. The amount for the 2022/23 school year is \$6,895.00 per academic year for those students with the most need.

- 1) Your FAFSA form for the upcoming school year may be completed online at www.fafsa.ed.gov.
- 2) For Financial Aid assistance, you may contact the Financial Aid Office at 479-248-7236.

Refund Policy

The student must file this official Withdrawal Form with the EC Online Registrar to receive a tuition credit or refund. Your refund will be calculated on the date/time you submit this form. Students failing to properly withdraw from a course will not receive a tuition credit/refund. The withdrawal fee per course is \$25. This applies to administrative withdrawals as well. All times are in the Central Time Zone. If you are not sure what time it is in the Central Time Zone go to <http://time.gov>.

Refunds are issued according to the following schedule minus the nonrefundable application and matriculation fees.

(Students must receive official *confirmation* of course withdrawal from the EC Online office to be eligible to receive the appropriate refund noted below.)

All EC Online Courses -100% refund through first **6%** of a particular offering period (days are rounded up, when possible, to the benefit of the student).

- If the offering period is 8 weeks long, the student receives 100% refund for the first 3 days and 0% thereafter.
- If the offering period is 12 weeks long, the student receives 100% refund for the first 5 days and 0% thereafter.
- If the offering period is 16 weeks long, the student receives 100% refund for the first 7 days and 0% thereafter.

There is a 0% refund after midnight on last “refundable” day of class.

Three-Day Intensives 100% refund first half-day only.

Audits/Non-Credits Audited courses or non-credit courses cannot be dropped nor credit/refunds issued. Audited courses are not listed on transcripts.

Absenteeism

A student is considered absent when he fails to post one graded assignment during one full week of class. If you are absent, the Academic Office should be notified promptly by the Monday of the following week. Additional guidelines for absenteeism are listed below:

- 1) Absences are neither excused nor unexcused.
- 2) If a student is absent for two weeks (consecutively or separately), the course grade will be lowered by ten percent.
- 3) If a student is absent for three weeks or more, credit will not be awarded for the course.

- 4) Student will be administratively withdrawn from the course based on the date of last recorded attendance.
- 5) Technical difficulty is not an acceptable reason for absenteeism.
- 6) Discussion assignments (including peer review activities) are accepted only during the week they are assigned and cannot be submitted late or after a prolonged absence.

If you wish to withdraw from a class or program, you must submit this Withdrawal Form. Your refund will be calculated according to the date this form is submitted. Please contact your instructor with your questions about absences.

Withdrawing from a Class/Program

If you wish to withdraw from a class or program, you must submit this Withdrawal Form. Your refund will be calculated according to the date you submit this form. A \$25 withdrawal fee is assessed for each course withdrawn from. This includes courses students are administratively withdrawn from. Please note that your amount of financial aid may be impacted in accordance with your withdrawal date.

Technical Difficulties

You will need daily access to a computer running Windows 2000, XP or Vista; or a Mac OS 10.4 (or higher) to access and succeed in your classes. It is also the student's responsibility to ensure before enrolling in classes that he/she has dependable internet access.

Technical difficulties do not warrant a class extension, re-do or "incomplete." If you experience technical difficulties of any kind that you cannot resolve within 24 hours by contacting tech support or your instructor, it is imperative that you contact EC Online Administration immediately. If you delay in contacting administration and do not complete the course work in the allotted time, you will receive a default grade of "F" and no refund will be awarded. You may take the class again at a later date, replacing the default "F" with your earned grade. In that event, the "F" would be completely expunged and would not affect your GPA. If you believe you have a special case and have supporting documentation, you may appeal to the Academic Committee by writing EC Online Administration.

Note: Be sure to keep ALL originals (back-ups) of your coursework in case of technical difficulties that may arise.

Academic Honesty

Violations will result in substantial penalties. All instances of cheating or plagiarism will be reported to the Academic Office. First time offenders will receive an "F" on the assignment or test; second time offenders will receive an "F" in the course and will be referred to the Dean of Students for probationary and/or expulsion review. Even if the infraction is inadvertent, the assignment will receive a failing grade for the following errors:

- 1) Presenting anyone else's work, ideas, or research as one's own.
- 2) Omitting quotation marks or altering a quoted passage without using ellipses or brackets.
- 3) Substituting synonyms and following word order of the original passage when paraphrasing.
- 4) Failing to provide in-text citations when borrowing ideas or language from a source.
- 5) Citing sources in your paper without listing them on a Works Cited page, or vice-versa.

Americans with Disabilities Act (ADA) Compliance

Ecclesia College will comply with the provisions of Title III of Americans with Disabilities Act, as a public accommodation, and will provide reasonable accommodation to persons otherwise qualified who fulfill the College's ADA procedures, inasmuch as the reasonable accommodation does not constitute an undue burden or fundamental alteration for the institution.

Please note: If you have a disability as defined in the Americans with Disabilities Act, you must notify the Academic Office and the Student Development Office of your disability and complete the necessary steps to receive reasonable accommodation for your disability.

Information regarding the Americans with Disabilities Act is available through the Student Development Office. The First Year Program Coordinator is the designated ADA liaison for the institution.

Students who fail to register their disability(ies) with the Academic Office and the Student Development Office and complete the procedures as outlined in the ADA Policy (AMPAP 2:8.0) will not receive any accommodation for their disabilities. Reasonable accommodation begins when the procedures are fulfilled and are not retroactive to the period of time before the procedures were completed.

Attendance Policy

Regular and punctual attendance is required. Ecclesia College's attendance policy requires that you be present every week in the online classroom. Please contact your instructor if you have specific questions regarding the Attendance Policy.

Classroom Ethics—Netiquette

Students are responsible for reading and understanding the EC Online Netiquette Policy. Please review the expectations for online discussions listed below:

- 1) Always be polite and positive.
- 2) Address the entire class as opposed to only one student. Be objective and open to new ideas.
- 3) Acknowledge and accept cultural differences.
- 4) Consider that your written words reflect your Christian values.
- 5) Use standard English. Omit slang and "chat" terms or symbols.
- 6) Do not use all capital letters as this indicates shouting.
- 7) Use complete-sentence format and proper grammar and mechanics.
- 8) Focus on solutions rather than problems.
- 9) Use titles that reflect the content of the comment.

Incompletes

Awarding a grade of incomplete is discouraged. A student must formally request an incomplete grade via email by the first day of the sixth week class and must have a good cause for the request—one that can be documented. To submit a petition for an incomplete, the student must be in good standing in the course with a passing score with no previous weekly absences.

Textbooks

It is the student's responsibility to order his or her book in time to have received it before a given course begins. It may prove necessary at times (if the student is enrolled at a late date) to order your book by priority mail.

Student Comments and Appeals

A student who has a comment, grievance, or an appeal related to an official policy, guideline, or disciplinary decision should follow this procedure for resolution:

- 1) Contact the person who has made the decision and request an explanation. If it is discovered there has been a misunderstanding, the problem can be resolved at this point.
- 2) If the appeal is not satisfactorily resolved, the student should speak with supervisor of the person who made the decision.
- 3) If the problem is not yet resolved, the student may then request a video or phone conference hearing with the EC Administrative Council by submitting a written appeal within a week of the incident. The person with whom a grievance is directed is to be a part of this meeting. The decision of the EC Administrative Council (which includes the President) will include a written response or the decided action, if any, and will be communicated to the student within a week following the meeting.
- 4) If a student wishes to file a complaint with their home state agency, they may do so by contacting the proper personnel in their state. For a complete list of contact information for state agencies, please [click here](#).

Inclement Weather Policy

On occasion, extreme weather conditions may lead to power outages for an extended period. If outages do occur and are documented by local media officials, due dates for assignments may be adjusted accordingly.

Continuation as a Student

Continuation of a student at Ecclesia College is not automatic. The college reserves the right to discontinue the program of any student who fails to do satisfactory work or does not cooperate with the policies of the college. The Administration may request the withdrawal of a student at any time who, in its opinion, does not fit into the spirit of the institution, whether or not the student conforms to the specific regulations of the school.

Students should consult with their academic advisor /department coordinator prior to each semester of enrollment and secure written approval prior to enrolling in coursework for the following semester. Academic progress is monitored by the academic mentor/advisor for each EC student; students are updated accordingly. A copy of the student's degree plan is available from the Registrar's Office upon request.

Attendance at and graduation from Ecclesia College is understood to be a privilege. The College may request the withdrawal of any student at any time if he or she fails to comply with the standards and regulations of the institution or is not compatible with its honor code. It is imperative for the student to understand that attending and receiving a degree from EC is a privilege—not a right.

Transfer of Credit Advisement

Students planning to earn course credit at one college and transfer to another are advised to research in advance the transferability of their credits.

Graduate Degrees

The time limit for completing a master's degree online is four years for full-time students and six years for part-time students from the date of matriculation. An extension may be granted by the EC Online Academic Committee of up to one year at a time for a maximum of two years. In extenuating circumstance, extensions beyond seven years may be granted. Extensions beyond seven years require approval from the EC Online Academic Committee. When requesting an extension beyond the allotted time, the student will need to demonstrate how his/her earlier coursework is current.

GIFT OPPORTUNITIES

Student tuitions at Ecclesia College are comparable to those of similar institutions and are kept so by the regular giving of Christians committed to completing God's goals along with us. No student pays the complete cost of education. Substantial sums are sought annually to make up the difference between what is paid and the actual cost of the classroom and field practicum experiences.

There are a variety of ways by which you can give for this purpose. Appreciated securities or property as well as life insurance may be given with considerable tax savings to the donor. Contributions may also be made with retained life income through trusts or annuity agreements. A personal Will and Testament is also a means for assigning funds to the college. Wise estate planning may provide opportunities for conservation of wealth as well as income and estate tax savings to the donor.

We also have volunteer programs for those of you who would like to devote your time and skills. For additional information regarding any of these plans, please direct your inquiry to:
